Theos Time:

All About Me Sotirios Majoros,2019-11-29 When Sotirios Majoros s thirteen year old daughter asked him a seemingly simple question What is life little did she realize the explosion of thoughts and ideas that she would set off in her father s mind To answer her question Sotirios found himself looking back through time to the father of history Herodotus and across humanity s numerous cultures focusing in particular on how this question is expressed through various pieces of artwork such as sculptures and paintings He also looked back through his own life eventually realizing that lurking beneath his daughter s question was an even more fundamental question Who am I His attempt to answer this question forms the foundation of this book

13 Day War Richard S. Tuttle,2008-07-29 Massive Federation armies invade Alcea through magical portals seeking to devastate the entire continent Outnumbered four to one the Alceans grimly prepare for the bloody conflict but victory on the battlefield is not good enough for young King Arik Knowing that the Great Demon has initiated the war between the two countries solely to provide a million tears to fulfill an ancient prophecy King Arik demands that the Knights of Alcea spare as many of the enemy soldiers as they can While defeat on the battlefield means death for the Alceans a victory that allows the Great Demon to fulfill the ancient prophecy will mean eternal servitude to Alutar
