## To Kill A Witch:

HOW TO KILL A WITCH Claire Mitchell, Zoe Venditozzi, 2025-05-15 A compelling and detailed investigation into the historic persecution of women as witches by the founders of the world famous Witches of Scotland campaign Bokinfo

How to Kill a Witch Zoe Venditozzi, Claire Mitchell, 2025-09-30 Terrifying fascinating and important Sara Sheridan author of *Where Are the Women* and *The Fair Botanists* Nothing brings people together like a common enemy and witches were the greatest enemy of all Scotland 1563 Crops failed People starved And the Devil s influence was stronger than ever at least that s what everyone believed If you were a woman living in Scotland during this turbulent time there was a very good chance that you or someone you knew would be tried as a witch During the chaos of the Reformation violence against women was codified for the first time in the Witchcraft Act a tool of theocratic control with one chilling goal to root out witches and rid the land of evil What followed was a dark and misogynistic chapter in history that fanned the flames of witch hunts across the globe including in the United States and beyond In *How to Kill a Witch* Zoe Venditozzi and Claire Mitchell hosts of the popular *Witches of Scotland* podcast unravel the grim yet absurdly bureaucratic process of identifying accusing trying and executing women as witches With sharp wit and keen feminist insight they reveal the inner workings of a patriarchal system designed to weaponize fear and oppress women This captivating and often infuriating account which weaves a rich tapestry of trial transcripts witness accounts and the documents that set the legal grounds for the witch hunts exposes how this violent period of history mirrors today s struggles for justice and equality *How to Kill a Witch* is a powerful darkly humorous reminder of the dangers of superstition bias and ignorance and a warning to never forget the past while raising the question of whether it could ever happen again
