

To Sam

L Towne

To Sam:

Sam's Surrender Elle James, 2018-01-16 When the stress of the job pushes Sam Magnus to take greater risks than is called for as a helicopter pilot with the US Army 160th Night Stalkers his commander insists he extend his leave past the time it takes to attend his brother's wedding to include some much needed R R Like it or not Sam Magnus isn't cleared to return to work until he's had time to cool his heels and learn how to relax With no clue how to chill he relies on a dart thrown at a map to determine where he should spend his unwanted vacation The Greek Island of Santorini it is Used to non stop action the thought of lolling in the sun for two weeks makes him want to hurt someone Namely his commanding officer Until he interferes with an attempted kidnapping of one hot babe his first night on the island Stranded on Santorini abandoned by the wealthy couple who hired her former au pair Kinsey Phillips has enough going wrong with being broke and homeless she doesn't need to add an attempted kidnapping to her list of troubles An Army helicopter pilot swoops in to rescue her and thus begins a whole new set of troubles The man is incredibly handsome and Kinsey knows what guys like that are like love em and leave em No sir She'd been there done that and had scars to prove it Count her out of a potentially doomed relationship although she could use his help in the meantime to survive the beautiful but deadly Greek island and get back to the States alive Someone is determined to take Kinsey It's not Sam's job to keep her safe but he resultantly assumes the responsibility when he discovers she has nowhere else to go Rest and relaxation is impossible to achieve with a sexy blond sharing his cottage especially when her attackers aren't willing to forgo their prize

Sam's Light Valerie Sherrard, 2004-08-01 Short listed for the 2005 Snow Willow Award and for the 2006 Manitoba Young Readers Choice Award Cole Fennety doesn't know it but he is about to have the strangest summer of his life His little sister Jessie is driving him crazy his mother is too wrapped up in the world of daytime soaps to intervene and his best friend Wayne is out of control Worst of all his boss Sam Kerrigan is the meanest man in town But beneath Sam's crusty exterior lies a kind heart as well as a terrible secret that forces Cole to face questions to which there are no easy answers

Sam's secret scars Rhys Ryan Evans, 2023-04-19 Sam served in the British army for twelve years he was in the recon platoon the best platoon in his regiment he got to the rank of section commander and was awarded the victory cross medal after his bravery in the Gulf war back in 1990 When he got back to England he found out that his wife had been messing around with one of his mates who had been wounded and sent back early Sam took this bad and assaulted his so called mate who did the dirty with his wife he ended up in Military prison for a while for attempted murder Sam had to go in front of a civilian court as well for other stuff he had got up to on a drunken night out with the lads 5 He served his time and went back to the regiment and had to do community work every work in an elderly home on the weekends Sam was busted down to a private soldier and lost a lot of respect from his colleagues his wife started rumors about him that he was abusive to her and it spread around the regiment a lot of soldiers didn't like this and there were too many confrontations Sam hit the bottle and it got out of control He was sent in front of the Padre and the doc

for counseling he calmed down and went with his regiment to Bosnia His team was hit in a messy ambush one night and Sam took a bullet in the leg He was sent back to the UK for rehabilitation Sam hit the bottle again and was downgraded because of his injury 6 he ended up working in the bedding stores sorting out troops sheets and blanket for their beds This was the last straw for Sam he was a broken young man a lost soldier slowly going down the drain Lost his wife and daughter his rank and respect from all of his mates they laughed behind his back about him working in the bedding stores and him with a permanent limp now from his wound rumors spread around his regiment that Sam had shot himself just to get out of Bosnia it was never proved but the story stuck Sam got discharged on Medical grounds He was offered help from army services that help soldiers get settled into civilian life He turned help down as he had had enough of the British army he felt stabbed in the back and went off on his own 7 The army gave him a few thousand pounds cash as resettlement fee Sam moved in with his mum for a while until she had had enough of his antics He was homeless and alone in London Sam made some friends on the street living rough his mum tried her best to help but he turned her down He met an ex soldier one night sleeping on the streets this guy told him about a hush hush unit that s recruiting mercenaries to go over to Cambodia Sam and his friend laughed and joked about the army days and got drunk and passed out Sam woke in the morning with the mercenary thing on his mind He opened his eyes and looked around in a haze and it was dark and raining 8 Sam felt wet all over and numb he tried to focus on things only to see blurry doubles of everything He pushed himself up and sat there in the wet a bottle rolled next to him Sam looked down and grabbed the bottle he drank what was left inside it and threw it away He checked his pockets and found his metal tin that had old cigarettes inside that people had thrown on the street when they had finished with them Sam found his lighter that he kept in his pants and lit one of the cigarettes he found on the streets he looked again and pulled out his silver hip flask that he always kept full in case he needed a stiff one It was one of Sam s leaving presents when he left the army they gave him a silver zippo lighter a multi tool survival pocketknife and s silver hip flask with his name and regiment inscribed on it 9 Sam looked at the flask and remembered the good times he took a big swig and put it away he smoked the secondhand cigarettes and stared at nothing in particular Most of the time for quite a while now Sam was in a complete daze and didn t much care about anything at all He remembered that he had had an old army sleeping bag and a rucksack with what little belonging he had before he had passed out in some fire escape at the back of some office building somewhere in Victoria London Sam looked about as he heard some people laughing from somewhere he recognized some voices He got up and waited A girl in her twenties came into sight a bit blurry she saw Sam There you are you git been looking all over for you son of a bitch the girl announced and came forward to Sam 10 Her name or street name was Tammy look at the state of you Sam smiled hey baby was wasted and fell asleep I thought you was with me what happened Sam asked Don t remember too well myself darling I woke up next to Macdonald s with Jess next to me begging Shit baby somebody robbed my stuff again Sam exclaimed and shivered no they haven t mate it s behind the garage where we usually

kip you fool you really were wasted babe Tammy said and started to laugh a large lad stepped out of the shadows dressed in a long camouflaged jacket she found you then you bum you downed all your methanol you idiot on top of pills and shit stupid boy need to calm down lad Jess exclaimed and patted Sam on the shoulders 11 come on lad what we need is something to drink and some snacks get us through the night eh Jess announced and passed Sam a lit cigarette Tammy hugged Sam and kissed his cheek will you stop disappearing on me please I've been on the street a lot longer than you so listen to me and stay with me OK soldier boy Tammy told him and slapped him yes soldier blue wise up and get street wise this is London trust who you need to trust and that's it too many people out there to screw you for nothing now let's get something to drink me and Tammy will look after you as we have been doing Jess announced and walked off laughing to himself I don't think I can take this shit much longer mate 12 I still can't get my head around things too long in the army and now I'm on the streets of London Sam exclaimed and flicked his cigarette away Sam every time we talk about you and the army you keep telling me a different story one day I want the truth babe Tammy announced and smiled she grabbed Sam they both followed Jess down the street Jess walked into a side street corner shop some shouting was heard from inside and Jess came out with two bottles of vodka Here ya go drink and let's have a chat I got some weed in my pocket that needs smoking children Jess announced and started to laugh Sam and Tammy opened the bottles that Jess took out of the shop the three of them started to talk crap as usual Sam tell us about your war stories you promised you would Jess asked alright you'll be shocked Sam said

Business Law Nickolas James, Timothy Thomas, 2020-01-21 *Business Law 5th Edition* James et al is written for business students to provide a clear and accessible introduction to the legal system Business law courses are the first exposure to law for many business students and the first time they are obliged to think deeply about the discipline This updated edition presents business law in a practical context rather than the doctrinal context that many major legal publishers use The *Business Law* interactive e text features a range of instructional media content designed to provide students with an engaging learning experience This includes practitioner videos from Herbert Smith Freehills animated work problems and questions with immediate feedback This new edition is a unique resource that can form the basis of a blended learning solution for lecturers
