

~ Southern Life ~

If you want a glimpse of Southern life,
Come close and walk with me;
I'll tell you all the simple things,
That you are sure to see.
You'll see mockingbirds and bumblebees,
Magnolia blossoms and dogwood trees,
Caterpillars on the step,
Wooden porches cleanly swept;
Watermelons on the vine,
Strong majestic Georgia pines;
Rocking chairs and front yard swings,
June bugs flying on a string;
Turnip greens and hot cornbread,
Coleslaw and barbecue;
Fried okra, fried corn, fried green tomatoes,
Fried pies and pickles, too.
There's ice cold tea that's syrupy sweet,
And cool, green grass beneath your feet;
Catfish nipping in the lake,
And fresh young boys on the make.
You'll see all these things
And much, much more,
In a way of life, that I adore.

Wilson,2024-09-19 THIS COLLECTION OF SOUTHERN POETS AND POEMS 1606 1860 is made not from the viewpoint of a literary critic but that of a student of history interested in how the experiences of the Southern people have been reflected in verse Poetry contains a kind of truth not found in other forms of expression We are guided by the advice of William Gilmore Simms the father of Southern literature The emotional literature of a people is as necessary to the philosophical historian as the mere details of events in the progress of a nation This is essential to the reputation of the Southern people as illustrating their feelings sentiments ideas and opinions the motives which influenced their actions and the objects which they had in contemplation and which seemed to them to justify the struggle in which they were engaged This is the first in a planned five volume series that will trace with verse the four hundred year history of the people of the South and The Land They Loved

War Songs and Poems of the Southern Confederacy, 1861-1865 Henry Marvin Wharton, 1904 These songs and poems belong to the Nation Although our friends at the North will smile at some wince at others and even have their blood warmed by one here and there they must not forget that they were written by their brothers and sisters during a family quarrel when feeling was intense and the fight hot and fast It is all over now we are more united than ever and shall never fall out with each other again My object has been to rescue from oblivion these productions of a people as brave and true as ever lived and yet within half a century forgetting the past they have built up their shattered fortunes and side by side with the men they had once fought they stood in battle for the defense of our glorious flag No North no South no East no West but one and inseparable now and forever Fore word **Songs from the Southern Seas** John Boyle O'Reilly, 1874 **War Poetry of the South** Various Authors, Several considerations have prompted the editor of this volume in the compilation of its pages It constitutes a contribution to the national literature which is assumed to be not unworthy of it and which is otherwise valuable as illustrating the degree of mental and art development which has been made in a large section of the country under circumstances greatly calculated to stimulate talent and provoke expression through the higher utterances of passion and imagination Though sectional in its character and indicative of a temper and a feeling which were in conflict with nationality yet now that the States of the Union have been resolved into one nation this collection is essentially as much the property of the whole as are the captured cannon which were employed against it during the progress of the late war It belongs to the national literature and will hereafter be regarded as constituting a proper part of it just as legitimately to be recognized by the nation as are the rival ballads of the cavaliers and roundheads by the English in the great civil conflict of their country The emotional literature of a people is as necessary to the philosophical historian as the mere details of events in the progress of a nation This is essential to the reputation of the Southern people as illustrating their feelings sentiments ideas and opinions the motives which influenced their actions and the objects which they had in contemplation and which seemed to them to justify the struggle in which they were engaged It shows with what spirit the popular mind regarded the course of events whether favorable or adverse and in this aspect it is even of more importance to the writer of history than any mere chronicle of facts The mere facts in a history do not always or often indicate the true animus of the action But in poetry and song the emotional nature is apt to declare itself without reserve speaking out with a passion which disdains subterfuge and through media of imagination and fancy which are not only without reserve but which are too coercive in their own nature too arbitrary in their influence to acknowledge any restraints upon that expression which glows or weeps with emotions that gush freely and freshly from the heart With this persuasion we can also forgive the muse who in her fervor is sometimes forgetful of her art And yet it is believed that the numerous pieces of this volume will be found creditable

to the genius and culture of the Southern people and honorable as in accordance with their convictions They are derived from all the States of the late Southern Confederacy and will be found truthfully to exhibit the sentiment and opinion prevailing more or less generally throughout the whole The editor has had special advantages in making the compilation Having a large correspondence in most of the Southern States he has found no difficulty in procuring his material Contributions have poured in upon him from all portions of the South the original publications having been in a large number of cases subjected to the careful revision of the several authors It is a matter of great regret with him that the limits of the present volume have not suffered him to do justice to and find a place for many of the pieces which fully deserve to be put on record Some of the poems were quite too long for his purpose a large number delayed by the mails and other causes were received too late for publication Several collections from Louisiana North Carolina and Texas especially are omitted for this reason Many of these pieces are distinguished by fire force passion and a free play of fancy Briefly his material would enable him to prepare another volume similar to the present which would not be unworthy of its companionship He is authorized by his publisher to say that in the event of the popular success of the present volume he will cheerfully follow up its publication by a second of like style character and dimensions *On Southern Poetry Prior to 1860...* Sidney Ernest Bradshaw,1900

The Fugitive Poets William Pratt,1991 Anthology of the finest modern Southern poets including Warren Ransom Tate Davidson
