Talking Murder:

The Complete Works Arthur Morrison, 2022-11-13 Arthur Morrison's *The Complete Works* consolidates his significant contributions to late 19th and early 20th century literature enveloping readers in a profound exploration of Victorian society. His adept narrative style juxtaposes stark realism with finely drawn character studies reflecting the struggles of the working class while critiquing the entrenched social hierarchies of his time. Morrison's intricate prose deftly captures the spirit of the East End of London, immersing the reader in atmospheric settings that reveal both the beauty and hardship of urban life, thus situating his work within the broader context of naturalism and social commentary. Morrison, born to a modest family in the heart of London's slums, earned early experiences that would shape his narrative voice and thematic concerns. His career as a journalist and an editor informs *The Complete Works* as he adeptly conveys the nuances of everyday life. Influenced by his own impoverished upbringing and a keen sense of social justice, Morrison's writing embodies an earnest representation of the marginalized, forming a bridge between literary art and sociopolitical discourse. Readers seeking a rich tapestry of human experience will find *The Complete Works* an indispensable examination of resilience and empathy. Morrison's ability to dissect the human condition through the lens of social realism makes this collection an essential read for those interested in the historical and cultural undercurrents of Victorian literature.

Arthur Morrison (1863-1945) was an English writer and journalist known for his detective stories featuring the detective Martin Hewitt, a low-key realistic lower-class answer to Sherlock Holmes. Martin Hewitt stories are similar in style to those of Conan Doyle, cleverly plotted and very amusing, while the character himself is a bit less arrogant and a bit more charming than Holmes. Morrison is also known for his realistic novels and stories about working class life in London's East End. His best-known work of fiction is his novel *A Child of the Jago*, a tale that recounts the brief life of a child growing up in the Old Jago, a slum located between Shoreditch High Street and Bethnal Green Road in the East End of London.

A Child of the Jago Arthur Morrison, 2021-05-14 Old Jago is tucked away in the East End of London, conveniently placed so the wealthy and the fortunate can forget all about it and its unlucky residents. Dicky Perott does not have the luxury of forgetting about the ugly truth of Old Jago because he and his family barely can afford the single room home they live in, fighting off robbers, fleas, and the cold. Though he is just a young boy, Dicky already dreams of the day he can leave the slum forever, but first he has to find out how. Roaming the streets daily, Dicky begs and steals to survive and is always looking for an opportunity to improve himself. As a riveting narration paints a
