Talking Straight:

Lord, I Love the Church and We Need Help Virginia O. Bassford, 2012 Do we ask too much No we ve asked too little Change chaos confusion how can a pastor make sense of it all The tap root of United Methodism goes deep into fertile soil firmly planted in Scripture and enriched by the Holy Spirit Our theology is rich and grounded into the depths of community and accountability but the way we live out that theology is wide and deep both bane and blessing United Methodists are neither blown away like chaff nor root bound Our calling is still to strive to be methodically faithful and alive in Spirit This is our heritage and our vision But will we dare to lean into the winds of change and be strengthened by the challenges we find Only with God s help Try It This Way... J. Michael Curtis, 2012-09-13 A long time observer of the human condition Curtis combines a wry wit with some unexpected opinions penetrating insights and intensely personal reflections This book covers a wide range of topics from the mundane to the metaphysical spun with a sense of humour and wonder This read has some delightful surprises that will leave you thinking and laughing You never know what to expect For a regular guy the author puts forth some very deep observations and opinions on how to achieve extraordinary happiness in your life While you may not agree with all of his arguments you will nevertheless find yourself contemplating some of your own personal convictions Walter T Leps Ph D President WAI BioProcess Solutions I know Mike to be a happy guy who is getting happier with age He has figured some things out that are worth considering to build a happier life for yourself in mind body spirit and heart Mike will help you get closer faster and easier if you experiment with his advice Gaye Hanson Blue Flowing Water Woman
