Phelan, 2020-10-06 In the minds of many American evangelicals today Judaism exists in two places the pages of the Bible and the modern nation of Israel In *Separated Siblings* John Phelan offers to fill in the gaps of this limited understanding with the larger story of Judaism including its long history and key facets of Jewish thought and practice Phelan shows that Judaism is anything but monolithic or unchanging Readers may be surprised to learn that contemporary Judaism exists in a multiplicity of forms and continues to evolve as recent changes in scholarly Jewish perspectives on Jesus and Paul attest An evangelical Christian himself Phelan addresses what other evangelicals are often most curious about such as Jewish beliefs concerning salvation and eschatology Nevertheless *Separated Siblings* is geared toward understanding rather than Christian apologetics aiming for an undistorted view of Judaism that is sensitive to the painful history of Christian replacement theology and other forms of anti-Semitism Readers of this book will emerge with more informed attitudes toward their Jewish brothers and sisters those in Israel and those across the street **The Jewish Forum**, 1928 *Talmudic Forgeries* Ben Zion Bokser, 1939 **The Maccabæan**, 1917 **The Talmud** Jacob Neusner, 2006-07-24 Wherever Jews have settled and whatever languages they spoke they created a community with a single set of common values One law one theology defined the community throughout their many migrations A single book explains how this came about the Talmud By re framing the Torah through sustained argument and analysis the Talmud encourages the reader to actively apply reason and practice logic Renowned scholar Jacob Neusner introduces readers to the Talmud defining it explaining its historical context and illustrating why it remains relevant today Neusner s *The Talmud What It Is and What It Says* invites readers to engage with the text and emphasizes that the Talmud will continue to be an important cultural guidebook for Jewish life through the next millennium **The Reform Advocate**, 1910 *A Beginner's Guide to the Steinsaltz Talmud* Judith Z.
