## Task Centred:

The Task-centred Book Peter Marsh, Mark Doel, 2005 Peter Marsh and Mark Doel's new book is a radical departure from traditional literature on social work methods. The main reference point is the voice of practitioners, service users and carers as researched and developed by the authors over twenty years. *Task-centred Social Work* Mark Doel, Peter Marsh, 1992. The theme of Task Centred Social Work is partnership, exploring the principles on which task centred practice is based while offering clear and practical guidance for work whether with people who seek help with social problems or with those who are involuntary clients. The book describes in detail the sequence of work to help clients move from present problems to future goals. This is illustrated by a case study which runs through the chapters and uses an imaginative recording style. Checklists and bibliographies are also used to aid understanding. The authors respond to the model's critics and explore both the scope and the limitations of the task centred practice. *Social Work Today*, 1977. **Robotica**, 1996. **Social Service Teams** Great Britain. Department of Health and Social Security, Great Britain. Department of Health and Social Services, Northern Ireland, Great Britain. Wright, 1996. This study looks at leadership within the context of organizational behaviour. Emphasis is placed on the role of middle management as the leader in small group dynamics and covers the implications for managerial leadership in the new era of knowledge worker organizations. **Collins Dictionary** John Pierson, Martin Thomas, 2002. Fully revised and updated the new edition of the Collins Dictionary of Social Work includes much new material on Britain's constantly evolving social landscape giving concise and comprehensible explanations in jargon free language of the most important social work terms and is designed particularly for students in further and higher education who are preparing for careers in child care, psychiatric nursing, residential care, community care, counselling, the probation service and social work. **Nursing Rituals, Research and Rational Actions** Mike Walsh, Pauline Ford, 1989. **Nursing Times, Nursing Mirror**, 1991. *Social Service Abstracts*, 1992. Teach Thinking by Discussion Donald A. Bligh, 1986. *Nursing Times*, 1988. **INTERCHI ... Conference Proceedings**, 1993. National Hospital and Health Care, 1975. European Management Systems Ronnie Lessem, Franz-Friedrich Neubauer, 1994.
