What Will I Do with All Those Courgettes? Elaine Borish,2002-05-01 A cookery book for a garden full of courgettes Over 150 recipes for soups salads main courses casseroles breads and cakes enable this easy to grow vegetable to be transformed into easy to make and delicious dishes This Blessed Plot Hazel Southam,2021-10-29 Gardening and growing has never been so popular nor has the awareness of why we need to do it been so acute When Hazel Southam took on an overgrown and neglected strip of ground in a local council allotment she had nothing more than beginner s enthusiasm and fond memories of her late father s passion for growing In This Blessed Plot she relates with humour wry observation and poignancy the story of her first year as an allotment holder With Hazel we feel the sheer effort of clearing the ground of debris and patiently nourishing the exhausted soil the camaraderie and unexpected kindness of strangers the pleasures of mending and making do the miracle of seeds sprouting and the problem of what do to with so much lettuce This Blessed Plot speaks to the zeitgeist that is gardening and mental and emotional health But it goes further and reflects gently on spiritual health too on friendship generosity wellbeing and our mutual dependence on creation and each other Amusing perceptive and wise This Blessed Plot is for anyone who has an interest in gardening

**What Will I Do with All Those Zucchini?** Elaine Borish,2006-03 Now there is a cookbook for a garden full of zucchini This book has more than 150 recipes using this amazingly versatile vegetable **The Earth Only Endures** Jules Pretty,2012-05-04 For most of human history we have lived our daily lives in a close relationship with the land Yet now for the first time more people are living in urban rather than rural areas bringing about an estrangement This book by acclaimed author Jules Pretty is fundamentally about our relationship with nature animals and places A series of interlinked essays leads readers on a voyage that weaves through the themes of connection and estrangement between humans and nature The journey shows how our modern lifestyles and economies would need six or eight Earths if the entire worlds population adopted our profligate ways Pretty shows that we are rendering our own world inhospitable and so risk losing what it means to be human unless we make substantial changes Gaia threatens to become Grendel Ultimately however the book offers glimpses of an optimistic future for humanity in the very face of climate change and pending global environmental catastrophe
