Queer Interruptions Evangeline Aguas, 2025-01-25 This book explores the experiences of queer female and genderqueer fans through interviews and an original documentary Inspired by fan reactions to the death of a popular lesbian character on the television series *The 100* 2014 2020 the book focuses on the fans experiences with the Bury Your Gays trope and seeks to illustrate the enduring impact of these fictional deaths on contemporary viewers The book draws on queer theory to frame the experiences of queer female and genderqueer fans as experiences of queer time as deviations from heteronormative life timelines as anachronistic backward turns and as queer melancholia By exploring the backward feelings and experiences of fans this book illustrates how the pain and abjection of the queer past are still with us in the present challenging simplistic narratives of progress and highlighting the continuing marginalisation of the queer community onscreen and in the wider political context

Dreyfus, 2017-06-16 This volume presents a selection of Hubert Dreyfus's pioneering work in bringing phenomenology and existentialism to bear on the philosophical and scientific study of the mind Each of the thirteen essays interprets, develops and extends the insights of his predecessors working in the European philosophical tradition One of Dreyfus' central contributions to reading the historical canon of philosophy comes from his recognition that great philosophers help us to understand the background practices of a culture the practices that shape and embody our most basic understanding of ourselves and the things and situations we encounter in our world Background practices are all too often overlooked completely or else their importance is misunderstood Each chapter in this volume shows in one way or another how a broad range of philosophical topics can only be properly understood when we recognize how they are grounded in the background practices that shape our lives and give meaning to our activities, our tasks, our normative commitments, our aims and our goals
