Tangled Lies

John Greenleaf Whittier

Tangled Lies:

One is a Promise Pam Godwin,2017 One promise One forever One look and I knew Cole was mine My dark rebel in leather My powerhouse of passion devastating smiles and impulsiveness When his job sends him overseas he promises to return to me A promise that s destroyed in the most irrevocable way Two years later an arrogant suit invades my heartbroken loneliness Clean cut and stern Trace is everything Cole wasn t At first he s a job that will rescue my dance company But as he intrudes on my life our hostile relationship evolves He knows I m still in love with Cole but his dedication is my undoing Then a catastrophic moment changes everything Promises resurface Lies entangle And an impossible choice shatters my world I love two men and I can only have one

Two is a Lie Pam Godwin,2017 Two lies Two men who don t share I never stopped loving Cole Not when he left me Not when he disappeared for three years Not when he crashed back into my life in a violent explosion of testosterone and fury His sudden reappearance questions everything I thought I knew including how I came to love another man Trace is an intoxicating breeze of seduction over ice My rock My second chance at forever And he s committed to annihilating the competition The battle that ensues wrenches me back and forth between them Fighting and f cking Resisting and submitting Together they entangle me in a web of lies rivalry and desire that weaves as deeply as their devotion to me I love two men and if I can only have one I choose none The TANGLED LIES series must be read in order One is a Promise Two is a Lie Three is a War
