The Witchstone:

The Witchstone Henry H. Neff, 2024-06-18 An unforgettable high stakes laugh out loud funny novel The Witchstone blends the merciless humor of The Good Place with the madcap fantasy of Terry Pratchett Meet Laszlo eight hundred year old demon and Hell's least productive Curse Keeper From his office beneath Midtown he oversees the Drakeford Curse which involves a pathetic family upstate and a mysterious black monolith It's a sexy enough assignment colonial origins mutating victims et cetera but Laszlo has no interest in maximizing the curse's potential he'd rather sunbathe in Ibiza quaff martinis and hustle the hustlers on Manhattan's subway Unfortunately his division has new management and Laszlo's ratings are so abysmal that he's given six days to shape up or he'll be melted down and returned to the Primordial Ooze Meet Maggie Drakeford nineteen year old Curse Bearer All she's ever known is the dreary corner of the Catskills where the Drakeford Curse has devoured her father's humanity and is rapidly laying claim to her own The future looks hopeless until Laszlo appears at the Drakeford farmhouse one October night and informs them that they have six days and six days only to break the spell before it becomes permanent Can Maggie trust the glib and handsome Laszlo Of course not But she also can't pass up an opportunity to save her family even if it means having a demon as a guide Thus begins a breakneck international adventure that takes our unlikely duo from a hot dog stand in Central Park to the mountains of Liechtenstein As the clock ticks down tough as nails Maggie and conniving Laszlo will uncover a secret so profound that what began as a farcical quest to break a curse will eventually threaten the very Lords of Hell

The Ascendancy Veil Chris Wooding, 2010-08-26 The final part of the critically acclaimed Braided Path trilogy The war that is tearing apart the ancient Empire of Saramyr is reaching its apocalyptic conclusion The Weavers have stepped from the shadows and taken control the capital is a demon haunted nightmare the land ridden by pestilence New terrifying demons immune to all but magic have been unleashed on the cities and armies of the resistance movement And the Aberrant hordes are seemingly without end As the madness of the weavers takes hold their tactics become even more crazed and bloody and thousands are dying on both sides Someone must stop the weavers someone must discover the secrets of what lies at the bottom of the massive pits they have dug across Saramyr This is the final volume of what has proved to be one of the most original exotic and exciting epic fantasies of the 21st century Chris Wooding melds an extraordinary imagination with deft characterisation and a flair for gripping plots
