Johnstone,J.A.

Johnstone,2021-12-28 A village is destroyed A vengeance is born And one man blazes a trail to hell and back to pay the devils their due in bullets and blood They call him Preacher JOHNSTONE COUNTRY FIGHT FIRE WITH FIRE It starts as a happy reunion between Preacher and his fellow trappers in a peaceful Indian village But it ends swiftly in death and destruction when a rival tribe attacks the village slaughters some of Preacher s Crow and mountain man friends and carries off the women and children as prisoners Preacher was off hunting when it happened Now he s teaming up with old friend Lorenzo and half breed Tall Dog to get the prisoners back and get revenge But the road to justice is paved with some very dark omens And the trail leads to the baddest place on God s good earth the bubbling quicksand pits hot springs and geysers of the Wyoming wild country known as Colter s Hell Here where earthquakes shake the land and no man is safe Preacher and his friends must wage a three man war against one of the fiercest tribes this side of the devil s inferno And once the shooting starts it s going to get a hell of a lot hotter Oh and there s also a question of 100 missing rifles Live Free Read Hard

remote and storied Parvati Valley For centuries India has enthralled westerners looking for an exotic getaway a brief immersion in yoga and meditation or in rare cases a true pilgrimage to find spiritual revelation Justin Alexander Shetler an inveterate traveler trained in wilderness survival was one such seeker In his early thirties Justin Alexander Shetler quit his job at a tech startup and set out on a global journey across the United States by motorcycle then down to South America and on to the Philippines Thailand and Nepal in search of authentic experiences and meaningful encounters while also documenting his travels on Instagram His enigmatic character and magnetic personality gained him a devoted following who lived vicariously through his adventures But the ever restless explorer was driven to pursue ever greater challenges and greater risks in what had become a personal quest his own hero s journey In 2016 he made his way to the Parvati Valley a remote and rugged corner of the Indian Himalayas steeped in mystical tradition yet shrouded in darkness and danger There he spent weeks studying under the guidance of a sadhu an Indian holy man living and meditating in a cave At the end of August accompanied by the sadhu he set off on a spiritual journey to a holy lake a journey from which he would never return Lost in the Valley of Death is about one man s search to find himself in a country where for many westerners the path to spiritual enlightenment can prove fraught even treacherous But it is also a story about all of us and the ways sometimes extreme we seek fulfillment in life Lost in the Valley of Death includes 16 pages of color photographs
