must prepare to become officers in wartime Absolutely American spotlights a remarkable ensemble of characters a former Eagle Scout who struggles with every facet of the program from classwork to marching a foul mouthed party animal who hates the military and came to West Point to play football a farm raised kid who seems to be the perfect soldier despite his affection for the early work of Georgia O Keeffe and an exquisitely turned out female cadet who aspires to a career in hair and nails after the Army These cadets and their classmates are transformed in fascinating sometimes astonishing ways by one of America s most mythologized and least understood challenges Many of them thrive under the rigorous regimen others battle endlessly just to survive it A few give up the fight altogether Lipsky s extensive experience covering college students for Rolling Stone helped him gain an exceptional degree of trust and candor from both cadets and administrators They offer frank insights on drug use cheating romance loyalty duty patriotism and the Army s tortuous search for meaning as new threats loom History of West Point Edward Carlisle Boynton,1970 **Strength and Drive** Robert A.

Doughty,2014-12-18 The Class of 1965 entered the Military Academy in July 1961 As cadets they received a traditional West Point education but also studied new fields such as computers and nuclear physics Upon graduation members of the class received numerous national scholarships including one Rhodes scholarship During the Vietnam War members of the class received no less than one Medal of Honor four Distinguished Service Crosses one Air Force Cross 94 Silver Stars 5 Soldiers Medals 175 Bronze Stars with V device for valor and 129 Purple Hearts In later years members of the class served with distinction in Grenada Panama Iraq and elsewhere They became leaders in transforming the army after the Cold War into a much leaner more agile technologically advanced force Those who left the service whether after four years in uniform or more contributed to the nation in a similarly impressive manner As civilians they excelled in numerous fields and exhibited as much patriotism and Strength and Drive as those still in uniform Whether in uniform or not members of the class of 1965 served their communities and nation and never lost sight of the meaning of West Points motto Duty Honor Country

The Colored Cadet at West Point Henry Ossian Flipper,1998-01-01 Henry Ossian Flipper was one of the 19th century West s most remarkable individuals and the first African American graduate of West Point Although Flipper s record of accomplishment was significant he was court martialed and dismissed from the service in 1882 This is Flipper s own account of his career along with a biographical essay by Quintard Taylor Jr

Carved from Granite Lance Betros,2012-04-23 The United States Military Academy at West Point is one of America s oldest and most revered institutions Founded in 1802 its first and only mission is to prepare young men and since 1976 young women to be leaders of character for service as commissioned officers in the United States Army West Point s success in accomplishing that mission has secured its reputation as the foremost leadership development institution in the world An Academy promotional poster says it this way At West Point much of the history we teach was made by people we taught Carved from Granite is the story of how West Point goes about producing military leaders of character An opening chapter on the Academy s nineteenth century history provides context for the topic of each subsequent chapter As scholar and Academy graduate Lance Betros shows West Point s early history is interesting and colorful but its history since then is far more relevant to the issues and problems that face the Academy today Drawing from oral histories archival sources and his own experiences as a cadet and later a faculty member Betros describes and assesses how well West Point has accomplished its mission And while West Point is an impressive institution in many ways Betros does not hesitate to expose problems and challenge long held assumptions In a concluding chapter that is both subjective and interpretive the author offers his prescriptions for improving the institution focusing particularly on the areas of governance admissions and intercollegiate athletics Photographs tables charts and other graphics aid the clarity of the discussion and lend visual and historical interest Carved from Granite West Point since 1902 is the most authoritative history of the modern United States Military Academy written to date There will be lively debate over some of the observations made in this book but if they are followed the author asserts that the Academy will emerge stronger and better able to accomplish its vital mission in the new century and beyond

The Long Gray Line Rick Atkinson,2010-04-01 The New York Times bestseller about West Point s Class of 1966 by Pulitzer Prize winning journalist and author Rick Atkinson A story of epic proportions and an awesome feat of biographical reconstruction The Boston Globe A classic of its kind The Long Gray Line is the twenty five year saga of the West Point class of 1966 With a novelist s eye for detail Rick Atkinson author of the Liberation Trilogy illuminates this

powerful story through the lives of three classmates and the women they loved from the boisterous cadet years to the fires of Vietnam to the hard peace and internal struggles that followed the war The rich cast of characters also includes Douglas MacArthur William C Westmoreland and a score of other memorable figures The class of 1966 straddled a fault line in American history and Atkinson s masterly book speaks for a generation of American men and women about innocence patriotism and the price we pay for our dreams *Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954* United States. Internal Revenue Service,1986 **Other Leaders, Other Heroes** James R. Endler,1998-12-09 As West Point celebrates its bicentennial this study provides examples of significant non combat contributions made by Military Academy graduates to the development and growth of the United States It includes a sampling of the accomplishments of the military academy s doctors clergy builders and educators and tells the story of the statesmen engineers industrialists and financiers artists and writers who all began their careers at the Military Academy Their success prompted President Theodore Roosevelt to remark at the centennial celebration that no other educational institution in the land has contributed as many names as West Point has contributed to the honor roll of the nation s citizens After two hundred years West Point continues to provide the nation with men as well as women of character trained to undertake the leadership and direction of large enterprises both in war and peace Civilian universities produce graduates who are particularly skilled in their primary subject of academic study At West Point that primary subject is leadership West Point graduates were instrumental in the exploration and mapping of unknown territory west of the Mississippi as well as the unknown reaches of space They have been elected or appointed to serve at every level of federal state and local government from the office of the president to local boards of education Graduates of West Point the sole engineering institution in the nation until 1824 were selected to head the new engineering schools established at some of the nation s most prestigious universities including Yale and Harvard Readers will be surprised at the wide range of contributions that Academy graduates have made in our nation s history *Remembering West Point* Eugene J. Palka,2010-06 West Point New York home of the United States Military Academy is one of the nation s most famous and unique landscapes Established in 1802 to train engineer officers for the Army West Point has for over 200 years produced many of the country s greatest leaders including Ulysses S Grant Dwight D Eisenhower George S Patton and Douglas A MacArthur With a selection of fine historic images from their best selling book *Historic Photos of West Point* Eugene J Palka and Jon C Malinowski provide a valuable and revealing historical retrospective on the development of West Point With over 100 photos from the Library of Congress National Archives and the United States Military Academy *Remembering West Point* shows the academy as it was from the mid nineteenth to the mid twentieth century These black and white photos highlight special occasions demolished and existing buildings and cadets in class during military training and on the fields of friendly strife This is West Point as you have never seen it **Official Gazette of the United States Patent and Trademark Office** ,1975 *Reminiscences of*
