When Justice Failed:

Confronting Failures of Justice Paul H. Robinson, Jeffrey Seaman, Muhammad Sarahne, 2024-08-06 Most murderers and rapists escape justice a horrifying fact that has gone largely unexamined until now This groundbreaking book tours nearly the entire criminal justice system examining the rules and practices that regularly produce failures of justice in serious criminal cases Each chapter outlines the nature and extent of justice failures in present practice describing the interests at stake and providing real world examples Finally each chapter reviews proposed and implemented reforms that could balance the competing interests in a less justice frustrating manner and recommends one sometimes completely original reform to improve the system A systematic study of justice failures is long overdue As this book discusses regular failures of justice in serious criminal cases undermine deterrence and the criminal justice system s credibility with the community as a moral authority The damage caused by unpunished crime is immense and even worse falls primarily on vulnerable minority communities Now for the first time students researchers policymakers and citizens have a resource that explains why justice failures occur and what can be done about them *Confronting Failures of Justice* is accessible for use by college freshman through graduate students and law students and is designed to be main text for a course on justice failures but it could be used in conjunction with other texts in a broad range of courses touching on criminal justice It presents arguments in a highly organized fashion and provides dozens of case studies many with photographs to gain student interest and to bring the academic discussions to life

Justice Failed Alton Logan, Berl Falbaum, 2017-10-01 A shocking tale of wrongful conviction that brings general conditions into cruelly sharp focus Kirkus Reviews *Justice Failed* is the story of Alton Logan an African American man who served twenty six years in prison for a murder he did not commit In 1983 Logan was falsely convicted of fatally shooting an off duty Cook County corrections officer Lloyd M Wickliffe at a Chicago area McDonald s and sentenced to life in prison While serving time for unrelated charges Andrew Wilson the true murderer admitted his guilt to his own lawyers Dale Coventry and Jamie Kunz However bound by the legal code of ethics known as the absolutism of client attorney privilege Coventry and Kunz could not take action Instead they signed an affidavit proclaiming Logan s innocence and locked the document in a hidden strong box It wasn t until after Wilson s death in 2007 that his lawyers were able to come forward with the evidence that would eventually set Alton Logan free after twenty six years in prison Written in collaboration with veteran journalist Berl Falbaum *Justice Failed* explores the sharp divide that exists between commonsense morality an innocent man should be free and the rigid ethics of the law that superseded that morality Throughout the book in depth interviews and legal analyses give way to Alton Logan himself as he tells his own story from his childhood in Chicago to the devastating impact that the loss of a quarter century has had on his life he entered prison at twenty eight years of age and was released at fifty five

When Justice Is a Game MaDonna Maidment, 2021-01-10T00:00:00Z All too often the police do not get the right person Wrongful convictions are framed as

mistakes or failures of the justice system However many of the wrongfully convicted are from among the poor and visible minority groups The law then becomes an ideological mask relieving us of the responsibility of engaging with the real issues that underscore wrongful convictions MaDonna Maidment illustrates how the desire to get a conviction and paint the police and the courts in a positive light often means that false evidence and court decisions based on prejudice and racism lead to innocent people being convicted The official version of the law says Maidment despite its claims of impartiality neutrality and objectivity is a tool of the state and its elite club members designed to maintain the illegitimate domination of society Turning back to the very system that got it wrong in the first place therefore should be a non starter *When Justice Failed* Steven A.
