White Shadow:

A Little White Shadow Mary Ruefle,2006-05-01 An exquisite art book of gentle and elegant found poetry 1978
David Krell,2025-04 Americans struggled to find their footing in the late 1970s The Vietnam War ended with more than fifty
eight thousand American soldiers deaths the public s trust in politicians plummeted amid the Watergate scandal As deadly
blizzards ripped through the Midwest and Northeast in early 1978 and caused hundreds of millions of dollars in damages
Americans turned to baseball for the welcome distraction and promise of a new season From spring training to the World
Series 1978 gave baseball fans one of the sport s greatest seasons full of legendary moments like the battle between the New
York Yankees and the Boston Red Sox for the American League East pennant Gaylord Perry s three thousandth strikeout Tom
Seaver s only career no hitter Willie McCovey s five hundredth home run and Pete Rose s marathon forty four game hitting
streak The 1978 season played out against a backdrop of disco music bell bottom pants and gas guzzling cars while
Hollywood answered a desperate longing for a simpler time with nostalgic offerings such as Grease The Buddy Holly Story
American Hot Wax Animal House and Superman Robin Williams became a household name with a guest appearance on the
popular TV show Happy Days Atlantic City debuted its first casino and Jill Clayburgh symbolized the emerging independence
of women in An Unmarried Woman In a memorable end to the baseball season Reggie Jackson and Bucky Dent led the
Yankees to their second consecutive World Series over the Dodgers after losing the first two games then winning four in a
row With a month by month approach David Krell breaks down major events in both baseball and American culture at large
in 1978 chronicling in novelistic detail the notable achievements of some of the greatest players of the era along with some of
the national pastime s quirkiest moments to capture an extraordinary year in baseball **Death Rituals among the**

Karanga of Zimbabwe John Chitakure,2021-10-04 One of the inescapable truths that humanity has to grapple with is the
reality of death The manner in which we die or the cause of our death may differ but death remains inevitable We may be
afraid of it or not we may try to evade it or not but death still comes Although most religions promise the possibility of
another life in the hereafter there is no scientifically verifiable evidence about the reality of that life Despite that lack of
evidence every culture performs death rituals meticulously to prepare the spirits of its deceased for whatever form of life that
may be available Death Rituals among the Karanga of Zimbabwe Praxis Significance and Changes explores the causes of
sickness and death and the praxis of pre burial burial and post burial rituals of the Karanga of Zimbabwe in an attempt to
unearth their original form and significance to identify the changes that have taken place It also provides a brief manual for
the performance of some selected Karanga death rituals Scheming CEO Loses Self-control An Xi,2020-06-17 He tore her
