Slashing Backhand:

The Trophy Wife Diana Diamond,2007-04-01 For the readers of Olivia Goldsmith and Susan Isaacs comes a dramatic and fun thriller with an over the top ending that will leave readers gasping For twenty five years Emily Childs has been the perfect wife She has devoted herself completely to her successful husband Walter on his climb to the top of the banking world kept his home raised his children and entertained his clients Now he is about to dump her for the younger more beautiful Angela Hilliard the perfect trophy for his life of conspicuous achievement But suddenly Emily vanishes from her home amidst clear evidence of violence The kidnapper demanding an enormous ransom is known only by his mysterious computerized voice Is this Walter s sick plan to get rid of his wife without the scandal that might ruin his career Is it his mistress s way of moving Emily aside Or is it one of Walter s business rivals determined to beat him in the race to the chairman s office From her basement prison Emily pleads with her husband to save her But as her captors panic she realizes that she will have to save herself In a thriller that spans the financial towers of the world s money centers and the underworld markets of the Caribbean Detective Andrew Hogan races against the ransom deadline to discover the identity of Emily s kidnapper The ending to this novel of marriages mistresses and money is a shocker that serves as a warning to men who are reaching for that one final trophy

An Eternal Circle Adam Falconer,2015-11-11 During a routine inspection following a relatively minor and apparently uneventful earth tremor along the coastal fault line north west of the Bay of Naples a maintenance team ventures into the deep foundations of a deserted site awaiting redevelopment ostensibly to perform safety checks on the integrity of the substructure What they find suggests the tremor was more powerful than at first suspected and the partial destruction of the lower levels has opened up an extensive gallery leading to the centre of the city and ultimately a place thought to no longer exist As part of an extended field trip to gather information for the university where he is a part time lecturer in the classical antiquity of the Mediterranean Werner and his new wife Sophie gain access to the site under the auspices of the recession hit Garcia construction group where they retrace the steps of the inspection team As they progress further and further into the maze of cavernous foundations and supporting structures they come across what appears to be the abandoned and virtually intact remains of a major Roman underground water cistern and distribution station Was it financial constraints or the decline of the western empire or something infinitely more sinister that prevented completion of the project Within the dark and eerie confines of the subterranean depths Sophie and Werner seek out evidence of another time when they were known to each other but are soon plunged headlong into their former world when the abandoned workings divulge their deadly secret
