Slaves for Hire John J. Zaborney,2012-10-12 In Slaves for Hire John J Zaborney overturns long standing beliefs about slave labor in the antebellum South Previously scholars viewed slave hiring as an aberration a modified form of slavery involving primarily urban male slaves that worked to the laborer s advantage and weakened slavery s institutional integrity In the first in depth examination of slave hiring in Virginia Zaborney suggests that this endemic practice bolstered the institution of slavery in the decades leading up to the Civil War all but assuring Virginia s secession from the Union to protect slavery Moving beyond previous analyses Zaborney examines slave hiring in rural and agricultural settings along with the renting of women children and elderly slaves His research reveals that like non hired out slaves these other workers experiences varied in accordance with sex location occupation economic climate and crop prices as well as owners and renters convictions and financial circumstances Hired slaves in Virginia faced a full range of oppression from nearly full autonomy to harsh exploitation Whites of all economic occupational gender ethnic and age groups including slave owners and non slave owners rented slaves regularly Additionally male owners and hirers often transported slaves to those who worked them and acted as agents for white women who wished to hire out their slaves Ultimately widespread white mastery

of hired slaves allowed owners with superfluous slaves to offer them for rent locally rather than selling them to the Lower South establishing the practice as an integral feature of Virginia slavery Slavery in Africa Suzanne Miers, Igor Kopytoff, 1977 This collection of sixteen short papers together with a complex and very much longer introductory essay by the editors on African Slavery as an Institution of Marginality constitutes an impressive attempt by anthropologists and historians to explore describe and analyze some of the various kinds of human bondage within a number of precolonial African societies It is important to note that in spite of the precolonial emphasis of the volume all of the essays are based at least partly on anthropological or ethnohistorical field research carried out since 1959 All but one have been augmented greatly by more conventional historical research in published as well as archival sources And although the volume s focus is upon the structures and conditions of servitude within the several African societies described many of the essays illustrate and some discuss the conceptual as well as the practical difficulties of separating the institutions and customs of domestic African slavery from those of the European dominated commercial slave trade in which many of the societies participated from JSTOR <http://www.jstor.org> May 24 2013 **Industrial and Labour Information** International Labour Office, 1926 The American Slave-trade John Randolph Spears, 1901 **For Us, but Not to Us** Adam E. Miglio, Caryn A. Reeder, Joshua T. Walton, Kenneth C. Way, 2020-10-02 John H Walton is a significant voice in Old Testament studies who has influenced many scholars in this field as well as others This volume is an acknowledgment from his students of Walton s role as a teacher scholar and mentor Each essay is offered by scholars and former students working in a range of fields from Old and New Testament studies to archaeology and theology They are offered as a testimony and tribute to Walton s prolific career *Wealth and Poverty in the Book of Proverbs* R. Norman Whybray, 1990-10-01 This is not a sociological study in the technical sense Its aim is simply to review the internal evidence of a single Old Testament book about attitudes towards what is now universally recognized as one of the most serious problems facing the world today the unequal distribution of this world s goods The study shows that there are some fundamental assumptions common to all sections of Proverbs that wealth unless acquired by dishonest or unscrupulous means is a good rather than an evil and that poverty as a feature of society is an evil which may to some extent be alleviated in particular cases but for which there is no universal cure **Ethics of Success** William M. Thayer, 1893 **The Canadian Baptist**, 1909 Annual Report New York. State. Department of Agriculture. Farmers Institutes and Normal Institutes, 1910 **The Gospel of Matthew** R. T. France, 2007-07-11 It is a special pleasure to introduce R T Dick France s commentary to the pastoral and scholarly community who should find it a truly exceptional and helpful volume So says Gordon Fee in his preface to this work France s masterful commentary on Matthew focuses on exegesis of Matthew s text as it stands rather than on the prehistory of the material or details of Synoptic comparison It is concerned throughout with what Matthew himself meant to convey about Jesus and how he set about doing so within the cultural and historical context of first century Palestine Amid the wide array of Matthew

commentaries available today France's world class stature his clear focus on Matthew and Jesus his careful methodology and his user friendly style promise to make this volume an enduring standard for years to come **An Inquiry Into the Nature and Causes of the Wealth of Nations** Adam Smith,1922 Some Interesting Papers of John McDonogh John McDonogh,1898 A Guide to the Printed Materials for English Social and Economic History, 1750-1850 Judith Blow Williams,1926 **The Presidency of Franklin Pierce** Larry Gara,1991 An examination of American expansionism and diplomacy during Pierce's administration **An Inquiry into the Nature and Causes of the Wealth of Nations, Volume 2** Adam Smith,1869 *A History of Florida from the Treaty of 1763 to Our Own Times: Florida as a state* Caroline Mays Brevard,1925 History of the Bahama Islands James Martin Wright,1905 A doctoral dissertation on Bahamian history with a special emphasis on the abolition of slavery in the islands The author a member of the Bahama expedition of the Geographical Society of Baltimore spent the summer of 1903 in Nassau conducting his research
