Slavery, Segregation, and Scripture James Oliver Buswell, 1964 *Jesus, the Bible, and Homosexuality, Revised and Expanded Edition* Jack Rogers, 2009-04-14 In this revised and expanded best seller Rogers argues for equal rights in both the church and society for lesbians gays bisexuals and transgendered people He describes how he moved away from opposition to support charts the church s history of using biblical passages to oppress marginalized groups argues for a Christ centered reading of Scripture debunks stereotypes about gays and lesbians and explores texts used most frequently against homosexuals and gay ordination In this newly revised edition he maps the recent progress of major U S denominations toward full equality for LGBT persons adds a new chapter that examines how Scripture is best interpreted by Jesus redemptive life and ministry and updates his own efforts and experiences The book also includes a guide for group study or personal reflection **Jesus, the Bible, and Homosexuality** Jack Bartlett Rogers, 2006-01-01 In this sure to be controversial book former seminary professor and church official Jack Rogers argues unequivocally for the ordination of homosexuals and for the extension of full and equal rights in society to all people who are homosexual Christianity he observes has moved through history in the direction of ever greater openness and inclusiveness Today s church is led by many of those who were once cast out people of color women and divorced and remarried people It is inevitable he believes that gay lesbian bisexual and transgender people will one day walk in the same steps as other Christian leaders Rogers an evangelical begins by discussing his own personal change of heart and mind on the issue a change that has moved him into the middle of this controversy in his own church the Presbyterian Church U S A He examines how the church misused the Bible to justify slavery and the denial of rights to women and links these efforts to efforts today to use biblical texts to deny equal rights to gays and lesbians He shows how neither the Bible nor the Confessions are opposed to homosexuality and debunks frequently used fundamentalist stereotypes and myths about gays and lesbians Rogers concludes with his thoughts on how the church can heal itself and move forward *Noah's Curse* Stephen R. Haynes, 2002-03-28 In *Noah s Curse* Stephen Haynes explores the historical context of slavery The author identifies the manner in which the great and good interpreted the story in Genesis to provide free labour and a scriptural justification for the Black Holocaust [Black Theology and Ideology](#) Harry H. Singleton, III, 2020-10-20 Combining the theological methods of Juan Luis Segundo and James H Cone Harry Singleton sheds new light on the impact of race on the origin and development of theology in America In *Black Theology and Ideology* Singleton appropriates Segundo s method of deideologization to argue that relevant theological reflection must expose religio political ideologies that justify human oppression in the name of God as a distortion of the gospel and counter them with new theological presuppositions rooted in liberation Singleton then contextualizes Segundo s method by offering the theology of James Cone as the most viable example of such a theological perspective in America Chapters are *The Black Experience and the Emergence of Ideological Suspicion* *The Western Intellectual Tradition and*

Slavery's Long Shadow James L. Gorman, Jeff W. Childers, Mark W. Hamilton, 2019-02-12 How interactions of race and religion have influenced unity and division in the church At the center of the story of American Christianity lies an integral connection between race relations and Christian unity Despite claims that Jesus Christ transcends all racial barriers the most segregated hour in America is still Sunday mornings when Christians gather for worship In Slavery's Long Shadow fourteen historians and other scholars examine how the sobering historical realities of race relations and Christianity have created both unity and division within American churches from the 1790s into the twenty first century The book's three sections offer readers three different entry points into the conversation major historical periods case studies and ways forward Historians as well as Christians interested in racial reconciliation will find in this book both help for understanding the problem and hope for building a better future Contributors Tanya Smith Brice Joel A Brown Lawrence A Q Burnley Jeff W Childers Wes Crawford James L Gorman Richard T Hughes Loretta Hunnicutt Christopher R Hutson Kathy Pulley Edward J Robinson Kamilah Hall Sharp Jerry Taylor D Newell Williams
