

SOUTHERN CAPITALISM

The Political Economy of North Carolina, 1880–1980

Phillip J. Wood

Southern Capitalism

Didier Musso

Southern Capitalism:

Southern Capitalism Philip J. Wood, 1986-08-13 Southern Capitalism challenges prevailing views of Southern development by arguing that the persisting peculiarities of the Southern economy such as low wages and high poverty rates have not resulted from barriers to capitalist development nor from the lingering influence of planter values Wood argues that these peculiarities can instead be best understood as the consequence of a strategy of capitalist development based on the creation and preservation of social conditions and relations conducive to the above average exploitation of labor by capital focusing on the evolving relationship between capital and labor as the core of this strategy Wood follows the process of capitalist industrialization in North Carolina from its beginnings in the aftermath of the Civil War to the 1980s *Southern Capitalism* Phillip J. Wood, 1986 The First American Frontier Wilma A. Dunaway, 1996 Outsiders have had a long running love affair with Southern Appalachia Setting forth at the Gulf of Mexico the Spaniards undertook three sixteenth century expeditions into the inland mountains to search for silver and the fountain of youth among the vast indigenous chiefdoms of northern Georgia Cavaliers and Economists Katharine A. Burnett, 2019-05-15 Offering a compelling intervention in studies of antebellum writing Katharine A Burnett s *Cavaliers and Economists* *Global Capitalism and the Development of Southern Literature 1820 1860* examines how popular modes of literary production in the South emerged in tandem with the region s economic modernization In a series of deeply historicized readings Burnett positions southern literary form and genre as existing in dialogue with the plantation economy s evolving position in the transatlantic market before the Civil War The antebellum southern economy comprised part of a global network of international commerce driven by a version of laissez faire liberal capitalism that championed unrestricted trade and individual freedom to pursue profit Yet the economy of the U S South consisted of large scale plantations that used slave labor to cultivate staple crops including cotton Each individual plantation functioned as a racially and socially repressive community a space that seemingly stood apart from the international economic networks that fueled southern capitalism For writers from the South fiction became a way to imagine the region as socially and culturally progressive while still retaining hallmarks of traditional southern culture namely plantation slavery in the context of a rapidly changing global economy Burnett excavates an elaborate network of transatlantic literary exchange operating concurrently with the region s economic expansion in which southern writers adopted popular British genres such as the historical romance and the seduction novel as models for their own representations of the U S South Each chapter focuses on a different genre pairing largely under studied southern texts with well known British works Ranging from the humorous sketch to the imperial adventure tale and the social problem novel *Cavaliers and Economists* reveals how southern writers like Augusta Jane Evans Johnson Jones Hooper Maria McIntosh William Gilmore Simms and George Tucker reworked familiar literary forms to reinvent the South through fiction By considering the intersection of economic history and literary genre *Cavaliers and Economists* provides an expansive study of

the means by which authors created southern literature in relation to global free market capitalism showing that in the process they renegotiated and rejustified the institution of slavery *Planting a Capitalist South* Tom Downey,2006-02

Planting a Capitalist South effectively challenges the idea that commercial and industrial interests did little to alter the planter dominated political economy of the Old South By analyzing the interplay of planters merchants and manufacturers the author characterizes the South as a sphere of contending types of capitalists agrarians with land and slaves versus commercial and industrial owners of banks railroads stores and factories A revisionary study *Planting a Capitalist South* offers clear evidence of a burgeoning transition to capitalist society in the Old South **Southern Scoundrels** Jeff Forret,Bruce E. Baker,2021-04-21

The history of capitalist development in the United States is long uneven and overwhelmingly focused on the North Macroeconomic studies of the South have primarily emphasized the role of the cotton economy in global trading networks Until now few in depth scholarly works have attempted to explain how capitalism in the South took root and functioned in all of its diverse and duplicitous forms *Southern Scoundrels* explores the lesser known aspects of the emergence of capitalism in the region the shady and unscrupulous peddlers preachers slave traders war profiteers thieves and marginal men who seized available opportunities to get ahead and in doing so left their mark on the southern economy Eschewing conventional economic theory this volume features narrative storytelling as engaging and seductive as the cast of shifty characters under examination Contributors cover the chronological sweep of the nineteenth century South from the antebellum era through the tumultuous and chaotic Civil War years and into Reconstruction and beyond The geographic scope is equally broad with essays encompassing the Chesapeake South Carolina the Lower Mississippi Valley Texas Missouri and Appalachia These essays offer a series of social histories on the nineteenth century southern economy and the changes wrought by capitalist transformation Tracing that story through the kinds of oily individuals who made it happen *Southern Scoundrels* provides fascinating insights into the region s hucksters and its history

Southern Capitalists Laurence Shore,2018-08-25 Studying the changing strategies used by the nineteenth century

southern leaders to justify their direction of the South's economy and politics Shore shows how leaders before during and after the Civil War attempted to set standards of success in southern society and to clarify the relations between those standards and national prosperity Shore offers a new perspective on southern leaders worldview and helps clarify the enduring question of what is new about the new South Originally published in 1986 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value *Between Slavery and Capitalism* Martin Ruef,2016-12-13 At the center of the upheavals brought by emancipation in the American South was the economic and social transition from slavery to modern capitalism In *Between Slavery and Capitalism* Martin Ruef examines how this institutional change affected individuals organizations and communities in the late nineteenth century as blacks and whites alike learned to navigate the shoals between two different economic worlds In the aftermath of the Civil War uncertainty was a pervasive feature of life in the South affecting the economic behavior and social status of former slaves Freedmen's Bureau agents planters merchants and politicians among others Emancipation brought fundamental questions How should emancipated slaves be reimbursed in wage contracts What occupations and class positions would be open to blacks and whites What forms of agricultural tenure could persist And what paths to economic growth would be viable To understand the escalating uncertainty of the postbellum era Ruef draws on a wide range of qualitative and quantitative data including several thousand interviews with former slaves letters labor contracts memoirs survey responses census records and credit reports Through a resolutely comparative approach *Between Slavery and Capitalism* identifies profound changes between the economic institutions of the Old and New South and sheds new light on how the legacy of emancipation continues to affect political discourse and race and class relations today Publisher's Web site **Entrepreneurship in Pre-War South Carolina** Robert E. Wright,2015 Before the Civil War a portion of South Carolina's economy was capitalist in the sense that entrepreneurs and other business firms relied on capital markets to supply their external financing needs Antebellum South Carolina was home to all the major components of corporate capitalism including investors banks securities markets and entrepreneur borrowers including numerous business corporations That finding accords with those of several recent historians of antebellum Virginia and South Carolina and suggests that a form of Southern capitalism coexisted with the region's much more intensively studied slave economy *Southern Europe* Giulio Sapelli,2014-09-19 Until relatively recently most of southern Europe was governed by authoritarian dictatorships but within the space of two decades more or less stable democracies have become established throughout the entire region At the same time backward peasant economies have been transformed by the injection of huge amounts of capital and new technology into modern economies which are now approaching the size of the more established economies of Northern Europe Southern Europe is a major

contribution to our understanding of European politics The product of original research and synthesis on exceptionally wide literature it provides authoritative and systematic coverage of the politics economics and society of this important region of Europe from 1945 up to the 1994 election of Silvio Berlusconi s far right alliance in Italy *From Slavery to Agrarian Capitalism in the Cotton Plantation South* Joseph P. Reidy,1992 Reidy has produced one of the most thoughtful treatments to date of a critical moment in southern history placing the social transformation of the South in the context of the age of capital and the changes in the markets ideologies etc of the Atlantic world system Better than anyone perhaps Reidy has elaborated both the large and small narratives of this development connecting global forces with the initiatives and reactions of ordinary southerners black and white Thomas C Holt University of Chicago Joseph Reidy s detailed analysis of social and economic developments in central Georgia during and after slavery will take its place among the standard works on these subjects Its discussions of the expansion of the cotton kingdom and of the changes after emancipation make it necessary reading for all concerned with southern and African American history Stanley Engerman University of Rochester Successfully places the experience of one region s people into the larger theoretical context of world capitalist development and in the process challenges other scholars to do the same *Rural Sociology* *God and Mammon* Mark A. Noll,2002 This collection of essays offers a close look at the connections between American Protestants and money in the Antebellum period They provide essential background to an issue that continues to generate controversy in the Protestant community today **Alive in the Sound** Ronald Radano,2025-08-15 Ronald Radano offers a new understanding of Black music arguing that its value developed from the historical relation of race and capital **Southern Economic Journal** ,1927 "Man Over Money" Bruce Palmer,2017-10-10 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value *The Southern Workman* ,1917 The May or June issue of 1900 1939 includes the report of the institute s president for 1900 1939 The Agrarian Origins of American Capitalism Allan Kulikoff,1992 Allan Kulikoff s provocative new book traces the rural origins and growth of capitalism in America challenging earlier scholarship and charting a new course for future studies in history and economics Kulikoff argues that long before the explosive growth of cities and big factories capitalism in the countryside changed our society the ties between men and women the relations between different social classes the rhetoric of the yeomanry slave migration and frontier settlement He challenges the received wisdom that associates the birth of capitalism wholly with New York Philadelphia and Boston and show how studying the critical market forces at play in farm and village illuminates the defining role of the yeomen class in the origins of capitalism **Debating Slavery** Mark M. Smith,Economic History Society,1998-12-10 Even while slavery existed Americans debated slavery Was it a profitable and healthy institution If so for whom The abolition of slavery in 1865 did not end this debate Similar questions

concerning the profitability of slavery its impact on masters slaves and nonslaveowners still inform modern historical debates Is the slave South best characterized as a capitalist society Or did its dogged adherence to non wage labor render it precapitalist Today southern slavery is among the most hotly disputed topics in writing on American history With the use of illustrative material and a critical bibliography Dr Smith outlines the main contours of this complex debate summarizes the contending viewpoints and at the same time weighs up the relative importance strengths and weaknesses of the various competing interpretations This book introduces an important topic in American history in a manner which is accessible to students and undergraduates taking courses in American history

Southern Capitalism Introduction

In the digital age, access to information has become easier than ever before. The ability to download Southern Capitalism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Southern Capitalism has opened up a world of possibilities. Downloading Southern Capitalism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Southern Capitalism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Southern Capitalism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Southern Capitalism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Southern Capitalism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Southern Capitalism has transformed the way we access information. With the convenience, cost-

effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Southern Capitalism Books

1. Where can I buy Southern Capitalism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Southern Capitalism book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Southern Capitalism books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Southern Capitalism audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media

or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Southern Capitalism books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
