Southern Country Editor:

The Southern Country Editor Thomas Dionysius Clark, 1991-01-01 A study of journalism from the time of the Civil War to the 1930s

The Southern Country Editor. (Reprinted.) Thomas Dionysius Clark, 1964

The Southern Country Editor, by Thomas D. Clark Thomas Dionysius Clark, *Southern Country Editor* Clark T. D., 1992-01-01 A study of journalism from the time of the Civil War to the 1930s

Southern Odyssey Sherwood Anderson, 1997 *Southern Odyssey* contains the best of Sherwood Anderson's writings about the region where he spent the last sixteen years of his life In more than forty selections of journalism and fiction Anderson explores the people and problems of the South The pieces collected here present Anderson's perceptive vision of the South combining his love for the region with the fresh observations of an outsider His work reflects a range of issues that engaged all southerners at a crucial time in their history the Great Depression the influence of the New Deal the painful transition from agriculture to mechanization the struggle of labor to unionize and the elemental divisions of race always with an eye toward the human side of things Anderson's impressions and convictions concerning his southern experience encompassed more than its troubles however He also wrote of the splendor of a Shenandoah spring and the strength of character of the native people *Southern Odyssey* is more than a personal record it is a gallery of southern portraits drawn in the style that distinguishes Anderson's prose at its best

For Free Press and Equal Rights Richard H. Abbott, 2004 *For Free Press and Equal Rights* is an exhaustive study of the newspapers published in the Reconstruction South that had ties to the pro Union northern based Republican party Until now no book has been devoted entirely to this subject Richard H Abbott's research draws on his readings from some 430 southern Republican papers This figure accounts for literally hundreds more papers than are cited in the handful of previously published related studies none of which makes more than passing reference to any of the topics that Abbott covers in detail Abbott first traces the origins of the southern Republican press from its lone stronghold in antebellum northwest Virginia to its wartime expansion in the wake of the Union Army's occupation of such far flung places as Key West Florida and Port Royal South Carolina Abbott then discusses the challenges of establishing and sustaining a Republican press where the most likely readership freed slaves was usually illiterate and too poor to subscribe much less to contribute advertising revenue Looking at the different ways white and black editors faced common problems from ostracism and libel to vandalism and physical assault Abbott also discusses the mixed blessings of patronage by which Republican officials steered printing business to their party organs Abbott's state by state year by year analyses look at the fluctuating number of southern Republican papers in terms of their distribution in rural urban and anti pro Republican areas *For Free Press and Equal Rights* reveals a wealth of information about papers ranging from the *Visitor of Hot Springs* Arkansas which lasted less than a year to the *Union Flag* of Jonesborough Tennessee which ran from 1865 to 1873 It makes a number of new and important points about political patronage and the publishing process race and print culture Republican ideology and rhetoric and our first amendment

rights The Editor, 1924 The New Encyclopedia of Southern Culture Melissa Walker, James C. Cobb, Charles Reagan Wilson, 2014-02-01 Volume 11 of The New Encyclopedia of Southern Culture examines the economic culture of the South by pairing two categories that account for the ways many southerners have made their living In the antebellum period the wealth of southern whites came largely from agriculture that relied on the forced labor of enslaved blacks After Reconstruction the South became attractive to new industries lured by the region's ongoing commitment to low wage labor and management friendly economic policies Throughout the volume articles reflect the breadth and variety of southern life paying particular attention to the region's profound economic transformation in recent decades The agricultural section consists of 25 thematic entries that explore issues such as Native American agricultural practices plantations and sustainable agriculture Thirty eight shorter pieces cover key crops of the region from tobacco to Christmas trees as well as issues of historic and emerging interest from insects and insecticides to migrant labor The section on industry and commerce contains 13 thematic entries in which contributors address topics such as the economic impact of military bases resistance to industrialization and black business Thirty six topical entries explore particular industries such as textiles timber automobiles and banking as well as individuals including Henry W Grady and Sam M Walton whose ideas and enterprises have helped shape the modern South

The Civil War and the Press S. Kitrell Rushing, 2023-06-14 The power of the American press to influence and even set the political agenda is commonly associated with the rise of such press barons as Joseph Pulitzer and William Randolph Hearst at the turn of the century The latter even took credit for instigating the Spanish American War Their power however had deeper roots in the journalistic culture of the nineteenth century particularly in the social and political conflicts that climaxed with the Civil War Until now historians have paid little attention to the role of the press in defining and disseminating the conflicting views of the North and the South in the decades leading up to the Civil War In The Civil War and the Press historians political scientists and scholars of journalism measure the influence of the press explore its diversity and profile the prominent editors and publishers of the day The book is divided into three sections covering the role of the press in the prewar years throughout the conflict itself and during the Reconstruction period Part 1 Setting the Agenda for Secession and War considers the rise of the consumer society and the journalistic readership the changing nature of editorial standards and practice the issues of abolitionism secession and armed resistance as reflected in Northern and Southern newspapers the reporting on John Brown's Harper's Ferry raid and the influence of journalism on the 1860 election results Part 2 In Time of War includes discussions of journalistic images and ideas of womanhood in the context of war the political orientation of the Jewish press the rise of illustrated periodicals and issues of censorship and opposition journalism The chapters in Part 3 Reconstructing a Nation detail the infiltration of the former Confederacy by hundreds of federally subsidized Republican newspapers editorial reactions to the developing issue of voting rights for freed slaves and the journalistic mythologization of Jesse James as a resister of Reconstruction laws and conquering Unionists In tracing the

confluence of journalism and politics from its source this groundbreaking volume opens a wide variety of perspectives on a crucial period in American history while raising questions that remain pertinent to contemporary tensions between press power and government power The Civil War and the Press will be essential reading for historians media studies specialists political scientists and readers interested in the Civil War period Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1974 *South Carolina* Walter B. Edgar,1998 The authoritative source for the Palmetto State s dramatic history In this comprehensive history of South Carolina Walter Edgar presents a sweeping chronicle of a state with an illustrious sometimes infamous past He describes in very human terms 475 years of recorded history in the Palmetto State including the experiences of all South Carolinians those with roots in Africa and in Europe as well as Native Americans male and female rich and poor In an eminently readable presentation Edgar uses letters diaries and other writings to let voices from the past take part in telling the state s fascinating story Recounting the period from the first Spanish exploration to the end of the Civil War Edgar charts South Carolina s rising national and international prominence and its parallel economic ascendancy He dispels myths about the state s early history including the notion that the colony was inhabited by a homogeneous white population and tells how South Carolina developed an agricultural economy that relied heavily on African American slave labor Edgar examines among other topics the impact of the American revolution Charleston s significance as a metropolis and major seaport and the state s leadership in the Secession movement With changes wrought by the Civil War South Carolina slipped from national prominence into a period marked by economic social civil and political strife Edgar details the everyday life of blacks and whites during Reconstruction the state s mixed efforts to join the New South and Benjamin Ryan Tillman s rise to power He also chronicles South Carolina s changing politics in the once solid South the state s reawakening after World War II the casualties and victories of an extended civil rights struggle and the Palmetto State s present economic educational and political challenges Southern Writers William Peterfield Trent,1905
