Stephen Decatur:

Stephen Decatur Spencer C Tucker,2013-12-15 Brave energetic intensely patriotic Stephen Decatur is America s first great naval hero after John Paul Jones His short and dramatic life is a story of triumph and tragedy told by the noted historian and author of some twenty books Spencer Tucker Decatur s raid into Tripoli Harbor in 1804 to burn the Philadelphia a prized U S warship captured when it ran aground during the Barbary Wars earned him international fame An admiring Horatio Nelson described the feat as the most bold and daring act of the age Explaining the tremendous impact Decatur s action had on the early U S Navy the author notes that it set a standard of audacity and courage for generations of future naval officers At the age of twenty five Decatur was promoted to captain becoming the youngest naval officer ever to attain that rank in the U S Navy The book fully examines Decatur s astonishing achievements as it chronicles his rapid rise in the Navy including his command of the Constitution and the United States during the War of 1812 when he captured the British frigate Macedonian off the Azores The book also recounts the cruise that many call his greatest triumph Decatur sailed into the Mediterranean with a nine ship American squadron to punish the dey of Algiers for taking American merchant shipping securing peace with Algiers and keeping other Barbary states quiescent Lionized by a grateful American public upon his return Decatur offered a toast at a reception in his honor that is now legendary Our country In her intercourse with foreign nations may she always be in the right but our country right or wrong In describing Decatur s life the author also examines Decatur s relationship with James Barron a Navy captain who fatally shot Decatur during a 1820 duel **Our Country, Right Or Wrong** Leonard F. Guttridge,2006-10-17 An in depth profile of Commodore Stephen Decatur chronicles the epic exploits and illustrious military career of the American naval hero both in Tripoli during the Barbary Wars and during the War of 1812 as well as his diplomatic dealings with the Islamic powers of the Mediterranean A Rage for Glory James T. De Kay,2004 A vivid and intelligent biography of one of America s greatest naval legends 256 pp The Life and Character of Stephen Decatur Samuel Putnam Waldo,1821 Stephen Decatur Robert J. Allison,2005 Born to an immigrant Philadelphia family in 1779 Stephen Decatur became at age twenty five the youngest man ever to serve as a captain in the U S Navy His intrepid heroism leadership and devotion to duty made him a perfect symbol of the aspirations of the growing nation Leading men to victory in Tripoli the War of 1812 and the Algerian war of 1815 and coining the phrase Our country right or wrong Decatur created an enduring legend of bravery celebrated in poetry song paintings and the naming of dozens of towns from Georgia to Alabama to Illinois Decatur s friendships with James Madison John Quincy Adams and others made him a rising star in national politics He and his wife Susan built an elegant home near the White House which became a center of Washington society The capital and the nation were shocked when Decatur was killed at the age of forty one in a duel with a rival navy captain Although he died prematurely Decatur played a significant role in the shaping of the nation s identity at a time when the American people were deciding what kind of nation they would become The Life and

Character of Stephen Decatur Samuel Putnam Waldo,1821 **Stephen Decatur** Charles River Editors,2019-10-12 Includes pictures Includes a bibliography for further reading Our country right or wrong Stephen Decatur Between the Revolutionary War and the Civil War the United States engaged in several wars that have mostly been overlooked The War of 1812 is one of America s forgotten conflicts and the stalemated nature of the war which resolved virtually none of either side s war aims has also ensured that it is often given merely a cursory overview Great Britain as the leader of several coalitions of conservative European countries trying to isolate and snuff out the revolutionary spirit and the ambitions of Napoleon had been at war with France almost continuously since 1792 Under President Thomas Jefferson 1801 1809 and James Madison 1809 1817 the United States tried to steer a course that would keep it from being drawn into the European war and defend its neutrality on the high seas However both Britain and France wanted to hurt the other side economically by keeping goods out of their enemy s hands Thus they did not faithfully respect the rights of neutral nations The British government in 1807 had issued the Orders in Council which enforced a naval blockade against France and with a shortage of seamen to man the Royal Navy Britain also felt justified in stopping and sometimes firing on ships flying the American flag in the name of apprehending escaped British sailors In the same vein American shipping was disrupted by piracy across the globe especially in the Mediterranean leading to multiple conflicts known as the Barbary Wars Americans had few things to celebrate during the Barbary Wars or the War of 1812 but one of them was the growing prestige of the U S Navy and among those who were instrumental in its development few were as influential as Stephen Decatur Jr Decatur had an impact on nearly every war America fought in between the 1780s until his death in 1820 and his stardom ensured that he was a fixture among Washington D C s elite in his own lifetime As with John Paul Jones during the American Revolution Decatur s activities helped instantly associate his name with the fledgling country s success at sea Stephen Decatur The Life and Legacy of the Youngest Navy Captain in American History chronicles the various roles he played for the Navy and how he became one of America s most memorable naval heroes Along with pictures depicting important people places and events you will learn about Decatur like never before *Stephen Decatur Sinks the Philadelphia* Cullen Gwin,2017-02-22 It was 1803 and Stephen Decatur was in the Navy He was on a ship that was in Europe Stephen was the commander of a small ship It was named the Enterprise One day the head of the Navy called Stephen and some other men together Men I have some bad news he said We have lost the Philadelphia The men groaned Stephen knew that the Philadelphia was a big ship She had 44 huge cannons on her She was chasing an enemy ship when she ran into a sand bar The enemy captured her along with all her men and her guns They have gotten her off the sand bar and taken her into a bay for repairs When she is fixed she will be part of the enemy fleet She will be one of the biggest and fastest ships they have It would be better if she had sunk rather than be used against us The meeting ended Stephen kept thinking about the ship Finally he went to the commander What if we stole the Philadelphia he asked We could get her back If we cannot steal her we could burn her Then she could not be used against us Then I volunteer
