Still Lake Sara Brooke,2016-02-22 It s always been there but now something has changed Flening has always been a quiet friendly town Nestled in the forests of Northwest Florida it s home to a small population of familiar faces and the natural beauty of Still Lake But now the town is changing People are getting sick and some are going crazy A mysterious illness is sweeping through destroying families and threatening to spread further People are changing Dr Craig Lenton is desperately trying to stop the sickness before he and the people he loves become part of the carnage but time is running out and the calm waters of Still Lake may be hiding something sinister and evil underneath
