Stilwell Road:

Reopening of the Stilwell Road D. Nath, 2004 The Book Is About The Stil Well Road In The North Eastern Region Of India The Opening Of Which Will Hopefully Wisher In A New Area Of Development In This Region Papers In The Volume Are Divided Into 4 Parts Historical 5 Papers Economic 10 Papers Political 5 Papers Appendices 3 *The Ledo Road* Leslie Anders, 1965 Stilwell Road C. M. Buchanan, John R. McDowell, United States. Army. Forces in China-Burma-India Theater. Office of Public Relations, 1945 **In the Court of Appeals of the State of New York**, 1891 Micro-regions, Connectivity and Multi-sectoral Cooperation Sampurna Goswami, 2026-02-21 In a turbulent geopolitical terrain this book explores the complex dynamics of interstate integration between India's Northeast Myanmar and China's Southwest As India and China expand their cross border connectivity and infrastructure projects in Myanmar this volume critically examines how these efforts shape regional development influence foreign policy and fuel strategic competition While both nations engage with Myanmar bilaterally their mutual apprehension evident in military face offs and infrastructure races has hindered deeper institutionalized collaboration Despite this Myanmar remains a focal point in their geo economic strategies balancing engagement with two powerful neighbors while grappling with its own political and economic challenges The book moves beyond bilateral narratives to examine the larger regional interplay with a comparative analysis of investment in infrastructure energy and defence It will benefit scholars policymakers and anyone interested in India China relations Myanmar's foreign policy and the broader geopolitical shifts in South and Southeast Asia Look East to Act East Policy Gurudas Das, C. Joshua Thomas, 2016-02-12 This volume captures the success of India's Look East Policy LEP in promoting economic engagement with neighbouring countries in Asia and simultaneously its limitations in propelling growth in the bordering North Eastern Region India's bridge head to South East Asia It analyses the instrumental role of LEP in bringing a tectonic shift in India's foreign trade by redirecting the focus from the West to the East thus leading to a fundamental change in the nature of India's economic interdependence Besides discussing foreign trade it expounds as to how LEP made India play an important role in the emerging Asian security architecture and liberated Indian foreign policy from being centred on South Asia The essays also enumerate the reasons for LEP's failure in the North Eastern Region and chart out actionable programmes for course correction that might be factored into its latest edition the Act East Policy This book will interest scholars and researchers of international relations international trade and economics politics and particularly those concerned with Northeast India **From Burma with Love** Stephen W. Reiss, 2011-11-14 Irv and Mary Reiss aka Dad and Mom wrote this book as two letters per day for fifteen months from late 1943 through March 1945 Friends and relatives added more letters to bring the total to nearly 1 000 Virtually all of their letters ended with I love you very very much and I miss you very very much It's easy to empathize with their frustrations and anxieties about being separated and worried especially with the birth and nurturing of their first child Stephen aka me in June 1944 This book title of From Burma With

Love is an understatement Irv Reiss served in the US Army from June 27 1941 until September 17 1945 for a total of 4 years 2 months and 20 days Foreign service in India and Burma Myanmar was 1 year 1 month and 23 days The foreign service in Burma was very intense and is the heart of this book hence the name From Burma With Love Irv was a labor officer along the Ledo Road from August 28 1944 until December 11 1944 His job was to hire and feed and pay several thousand native laborers and a few elephants to help build that road from Ledo India to Mongyu Burma Read his letter of October 7 1944

Cultural Heritage Politics in China Tami Blumenfield, Helaine Silverman, 2013-05-14 This volume explores China's cultural heritage ideology and policies from three interrelated perspectives the State and World Heritage tourism cultural heritage tourism at undesignated sites and the cultural politics of museums and collections Something of a cultural heritage designation craze is happening in China This is new within even the last five to ten years Officials at many levels now see heritage preservation as a means for commoditizing their regions They are devoting new resources and attention to national and international heritage designations Thus addressing cultural heritage politics in a nation dedicated to designation is an important project particularly in the context of a rapidly growing economy This volume is also important because it addresses a very wide range of cultural heritage providing an excellent sample of case studies historic vernacular urban environments ethnic tourism scenic tourism pilgrimage as tourism tourism and economic development museums border heritage underwater remains and the actual governance and management of the sites This volume is an outstanding introduction to cultural heritage issues in China while contributing to Chinese studies for those with greater knowledge of the area **New**
