## **The Glass Mermaid:**

*The Glass Mermaid* Melanie Karsak, 2018-06-20 I'm the last mermaid On the shore of Lake Erie I spend my final days hunting beach glass making jewelry and waiting for my mermaid glamour to leave me Then it will be over I resigned myself to the fact that there's nothing more for me Until I saw Cooper He comes to the beach every day to paint the sunrise and sunset Nothing in this vast world has sparked my attention as much as him I have no business falling in love with a human Not now And Cooper seems to have secrets of his own I should leave him alone but the curious mermaid in me can't let that shiny bauble go More than anything I want to be part of his world before it's too late Journey to the quaint small town of Chancellor where fairy tales live dreams come true and happily ever after always reigns supreme From mermaids to witches to faeries the residents of Chancellor are far from ordinary Enjoy these re-envisioned fairy tales loosely based on The Little Mermaid Cinderella and classic witch tales Begin the series with *The Glass Mermaid* Book 1 of The Chancellor Fairy Tales series [The Glass Mermaid](#) Susan Clymer, 1986 Becca can hardly believe her eyes There under the tree on Christmas Eve are two tiny people and they are stealing her favorite ornament her glass mermaid **The Glass Mermaid** Poppy Lawless, 2015-07-17 Kate I'm the last mermaid I'm back on shores of Lake Erie but the cold waters are silent There is nothing here for me but ghosts and the beach glass that litters the rocky shore Long ago I lived below the waves Now I am the sole survivor and at long last my mermaid glamour is leaving me Every day I walk the beach Every day I wonder what happened to my people The little pieces of colored glass that wash ashore give me simple pleasure They are gifts from the lake reminders of home I fashion them into trinkets necklaces earrings bracelets They are beautiful things The humans seem love them Every day I walk the beach Nothing ever changes until the day he says hello Cooper I'm dying It's not a question it's a fact The cancer is eating me alive They told me I have six months to live maybe less I came home back to Chancellor on Lake Erie to die The sunsets are vivid there and I will relish every one I've never seen anything more beautiful than a Lake Erie sunset until I see her All life is as fragile as glass What would you sacrifice to save the one you love [The Glass Mermaid](#) Tobsha Learner, 1994 A powerful story about grieving It is about suicide and those whose lives are shattered as a result 2 acts 2 men 3 women **Shifting Shorelines** Terry Helwig, 2021-10-12 If only you could meet your younger greener self what might you say Terry Helwig explores this perennial question and how the human heart tested by time and adversity broken open by love and beauty ripens and bears fruit Her lyrical and compelling reflections awaken us to our place in the vast universe to the currents of joy and loss and to the sacred treasure of being alive Inspired by her beloved Florida barrier island Helwig discovers a landscape of fierce beauty within as well as without She uncovers the solace of following the phases of the moon the curve of a shell and the solstice path of the sun Nature reconnects us to our true center that place where wisdom blooms In the end the sea's tides mirror the ebb and flow of life The dance of these perpetual tides changes the contour of our lives continually shifting the shoreline of who we are and more importantly who we will become [The](#)
