The Golden G String:

Burlesque West Becki Ross, 2009-07-25 After the Second World War Vancouver emerged as a hotbed of striptease talent. In *Burlesque West*, the first critical history of this notorious striptease scene, Becki Ross delves into the erotic entertainment industry at the northern end of the dancers west coast tour, the North-South route from Los Angeles to Vancouver that provided rotating work for dancers and variety for club clientele. Drawing on extensive archival materials and fifty first-person accounts of former dancers, strip club owners, booking agents, choreographers, and musicians, Ross reveals stories that are deeply flavoured with an era before striptease fell from grace because the world stopped dreaming. In the words of ex-dancer Lindalee Tracey, "Though jobs in this particular industry are often perceived as having little in common with other sorts of work, retired dancers' accounts resonate surprisingly with those of contemporary service workers, including perceptions of unionization and workplace benefits and hazards." Ross also traces the sanitization and subsequent integration of striptease style and neo-burlesque trends into mass culture, examining continuity and change to ultimately demonstrate that Vancouver's glitzy nightclub scene, often condemned as a quasi-legal strain of urban blight, in fact greased the economic engine of the post-war city. Provocative and challenging, *Burlesque West* combines the economic, the social, the sexual, and the personal, and is sure to intellectually tantalize.

The ^A League of Exotic Dancers Kaitlyn Regehr, Matilda Temperley, 2017-04-04 The League of Exotic Dancers (LED) are a group of mid-twentieth-century burlesque dancers who continue to perform today off the well-known strip in Old Vegas. Through documentary photography and in-depth interviews, Regehr and Temperley examine these dancers who, like Old Vegas itself, keep performing 60 years past their supposed prime.

Restoration, The Complete Series Bayla Dornon, 2021-11-20 The exciting full four-book series *Three unlikely friends* Chris, Mary, and George come together as they flee the homes where they no longer fit and begin a journey of self-discovery. At the Center for Restoration, they find freedom, acceptance, and love and begin the journey out of the patriarchal, religious, and societal constraints that caused them to flee their families and homes. The novels in the RESTORATION Series follow the struggles of three characters brought together in their escape from homes and lives that don't accept them: Chris, a young gay man; George, a disinherited rich boy; and Mary, a victim of patriarchal domestic violence. They strive to reach the freedom and happiness of a world free from religious hegemony. Filled with the passions and pathos of the young, the series examines in depth the inherent conflict between all religion and democracy in a pluralistic society. For the tortured victims of patriarchal religions in America, running away is only the beginning of an arduous journey away from mental and emotional slavery to ancient thinking and towards self-discovery and the principles of the Enlightenment. *Restoration Book One: The Only True Religion and Liberation* follows Chris Brenner fleeing his hyper-religious family when they threaten him with anti-gay conversion therapy. Chris finds both refuge and first love within the humanist Center for Restoration. But now caught in the turmoil and social unrest of the Trump age, the San Francisco-based Center for Restoration faces a new threat, and Chris and his friends must
