The Polyimagical Realm Bernard X. Bovasso, 2005 The Polyimagical Realm I must note that as primarily a painter at the time of composing this work 1986 I was also painting angels They were in figure what I have called personatypes and simulated imitated realities yet arch and beyond typification typos in content This ambiguity is in fact the subject of this book The simultaneity of image and immanence is not a problem except we have no credible concept for simultaneity or complementarity and by which ambivalence prevails as the earmark of reality Now in the year 2004 it is the least I can say for showing the differences that only analytically repose in mutually exclusive camps that of C G Jung s rigorous and extensive amplification of Freud s Psychoanalytic and the new Post Modern wave of James Hillman s Archetypal Psychology and its polytheistic trimmings In that case the many gods earn a capital G and in contention with the One God But speaking as both a painter and a poet I can only fall back on an experiential standpoint something reminded by Plato 2500 years ago in his Ion dialogue and therefore God takes away the minds of poets and uses them as his ministers as he also uses diviners and holy prophets in order that we who hear them may know that they speak not of themselves who utter these priceless words in a state of unconsciousness but that God is the speaker and that through them he is conversing with us Bernard X Bovasso Spring 2005

The Masculine Mysteries and the Quest for the Whiteness Bernard X. Bovasso, 2006-07-31 Discover an Abundant Life in your Present Condition Are you tired of living in your past Are you sick and tired of your past coming up every time you try to go up Are you just tired of your past messing with your blessings It may seem like your life is as good as it will get until you discover that there is a better way Many people still live in a past experience that hinders them from living in an abundant future Abundant living comes in different ways depending upon what we feel true abundance means Material abundance is nice to have but spiritual abundance is what we must have One of today s buzz phrases is if it ain t broke break it There are mind sets that haven t yet been broken that need to be broken One in particular God is punishing me and that s why I m getting what I m getting This type of mentality is not scriptural and I m going to deal with it in this book Your past may be uncomfortable but it s not unforgivable The scriptures doesn t tell us in all your getting get things but it does tell us in all your getting get an understanding In knowing this God created us to be abundant in Him but we deviated from being complete in Him Therefore we must seek to understand and we will discover How to get pass our past

Jung, Faust and the Devil Bernard X Bovasso, 2012-08-14 Jung and His Other The name Philemon has reached public notice as much as the name of its author Analytical Psychologist Prof Dr C G Jung This is not so odd considering that more is publicly known about the man Jung on a multi dimensional level than many a celebrity in recent history Much has been revealed for all to see from the level of depth breadth and intensity that not only includes his pioneer work in Depth Psychology but the more recent publication of his secretive creative endeavors now broadcast in a lavish facsimile edition of his original closet composed Red Book as if suddenly the man of mind and his science of the psyche is brushed aside for the man of fabulous fantasy magic That would be to say the man Jung has been eclipsed by his own imaginary man Philemon Who is Philemon and by what power does he take stage center Jung did not have to answer this question involving his successor because he insisted that the all his life closet work be made public only posthumously almost as if to publicly reveal this other of his life as in fact a prognostication of his afterlife Accordingly in his fantasy he listens to the voices of the dead a theme that I have extended in wider application to the world scene and the origins of Western culture since the founding of Alexandria where the East meets the West by Alexander the Great of ancient Albania Illyria Bernard X Bovasso May 21 2012

Poems: Brief Intervals Bernard X Bovasso, 2010-06-21 Back Cover The present work combines two different forms but of similar content a poetic form and a dramatic form noted as closet drama because intended for reading rather than a staged production In both cases erotic content is presented in allusion to a variety of metaphors overlapped in the erotic play of opposites Any literal erotic content is thus ambivalent insofar as the sublime aspect of cuniunctio competes with its common and familiar demonstrations Bernard X Bovasso July 4th 2010 Front cover illustration by the author

Swimming with Chaucer Dan Yashinsky, 2013-10-25 Long before the emergence of the printed word human beings gathered to hear stories These tales carried in the head of the storyteller ensured that a community remembered its history and its beliefs Now our stories come from a range of sources but there is still something magical about the spoken word In this collection of stories and thoughts Dan Yashinsky shares gems from his treasure trove of material We travel from the neonatal ICU at SickKids hospital to the realm of the Blue Djinn from a mythical forest path to a British Columbia beach but everywhere we go we are accompanied by Yashinsky's gentle quizzical sometimes bawdy and always entertaining voice
