## **The Postmodern Church:**

**The Postmodern Church** Jeremiah Newman,1990      *The Postmodern Church* Timothy C. Lawless,2012 Within the past twenty years the Church especially in America has experienced dwindling membership and attendance along with a host of other problems Many of these problems are symptomatic of a massive cultural shift toward postmodernism leading to discontentment with the Church In attempting to respond to these challenges the emergent Church has arisen as a major element of American religious culture Their methodology and doctrine is heavily influenced by postmodernism which presents a further challenge for Christian leaders and ministers This paper will survey the challenges facing the Church will describe the emergent Church s origin and response to these challenges and will suggest a Church ministry paradigm that answers the challenges of postmodernism while preserving the integrity of the Gospel message      *What Would Jesus Deconstruct? (The Church and Postmodern Culture)* John D. Caputo,2007-11-01 This provocative addition to The Church and Postmodern Culture series offers a lively rereading of Charles Sheldon s In His Steps as a constructive way forward John D Caputo introduces the notion of why the church needs deconstruction positively defines deconstruction s role in renewal deconstructs idols of the church and imagines the future of the church in addressing the practical implications of this for the church s life through liturgy worship preaching and teaching Students of philosophy theology religion and ministry as well as others interested in engaging postmodernism and the emerging church phenomenon will welcome this provocative non technical work      **Truth and the New Kind of Christian** R. Scott Smith,2007-05-01 The latest clarion call in the never ending cavalcade of what s new in the evangelical world is the confident assertion from some quarters that the church needs to embrace postmodernism if it is going to engage postmoderns effectively Pastors trying to break down the often indigestible subject matter of postmodernism into bite size chunks in order to equip their people to engage it and teachers who are aiming at giving their students a working knowledge of the way postmodernism is impacting the church will find a good deal of help from Smith J Ligon Duncan III Senior Minister First Presbyterian Church Jackson Mississippi Scott Smith and I agree on a lot We share a deep commitment to Jesus Christ a love of the Bible and a passion for the church We also agree that we re currently living in a liminal time and it s those boundary times when people look most closely at the beliefs that underlie their practices So we ve all got some things to figure out right now including what we can really know and the certainty with which we can state our claims in a pluralistic society I appreciate Scott s voice in this conversation He is a careful reader of my work and he writes with a gracious and generous tone Interlocutors like Scott will be a helpful challenge to all of us in the emerging church I consider him a friendly critic and a brother in Christ Tony Jones author of Postmodern Youth Ministry and National Director Emergent Scott Smith is uniquely suited to enter the Emergent conversation with this helpful volume Not only is he an analytic philosopher with a razor sharp mind who has specialized in analyzing postmodernistic views on the relationship between language and the world but he is also a man who cares for the lost loves

the church and has an ability to communicate complex truths to people in the pew Justin Taylor Executive Editor Desiring God Every leader in the new Emergent Movement will want to read this fascinating book They simply will not find a more engaging knowledgeable balanced and kind treatment of their concerns ideas and practices Craig J Hazen Professor of Comparative Religion Biola University Scott Smith's study challenges us to take seriously the truth claim of the gospel both in how we proclaim it in words and in how we manifest it in our personal and community lives Gary Inrig Senior Pastor Trinity Church Redlands California

**Who's Afraid of Postmodernism? (The Church and Postmodern Culture)** James K. A. Smith, 2006-04-01 The philosophies of French thinkers Derrida Lyotard and Foucault form the basis for postmodern thought and are seemingly at odds with the Christian faith However James K A Smith claims that their ideas have been misinterpreted and actually have a deep affinity with central Christian claims Each chapter opens with an illustration from a recent movie and concludes with a case study considering recent developments in the church that have attempted to respond to the postmodern condition such as the emerging church movement These case studies provide a concrete picture of how postmodern ideas can influence the way Christians think and worship This significant book winner of a Christianity Today 2007 Book Award avoids philosophical jargon and offers fuller explanation where needed It is the first book in the Church and Postmodern Culture series which provides practical applications for Christians engaged in ministry in a postmodern world

**Brand New Church** Graeme Fancourt,2013-05-16 Brand New Church aims to make sense of what postmodern actually looks and feels like in real life and to ask what this means for the church Over the past few years Graeme Fancourt has travelled around the UK and USA consulting with a wide range of church leaders including Sue Wallace who founded Visions and Transcendence Jonny Baker a member of Grace and Roy Searle of the Northumbria Community He writes The church that I have encountered is thoughtful active and confident in the gospel Though holding many different views these leaders all appear to take seriously the need for the church genuinely to engage positively or negatively with what it perceives to be the postmodern condition The author reveals and explores the diversity of thinking found in local churches in colleges and universities and expressed in works of contemporary theology the approaches of a range of writers such as D A Carson Peter Rollins Pete Ward Tom Wright and Stanley Hauerwas are examined to stimulating effect The result is a thoroughly vibrant read which offers a broad understanding of how in these postmodern times the church might engage fruitfully in dialogue and mission for the sake of all God s people

**Recreating the Church** Richard L Hamm,2007-06-01 Mainline denominations in the United States are in crisis These institutions created in and for modernity are now facing a changed postmodern culture Hamm faces the crisis examining its origins and offers sound advice on how to lead to church to make the adaptive changes needed to thrive in postmodern times A TCP Leadership Series title Echoes of Eden Eddie Dutra,2016-06-24 The neoliberal theologians who intend to repaint Christianity say they are reacting to the errors and abuses within the church against the false promises of the Prosperity theology and the modern Pharisees who use legalism as a means of oppression and control The truth however is that they incur in the same mistakes of them Those of the Prosperity Gospel or those of the postmodern church philosophy lead the ministry according to peoples desire not according to Gods interests or the true spiritual need of people The Prosperity theology adapted to a greedy society that sees Jesus only as the multiplier of loaves and fishes and a free healer therefore it gave them what they wanted The postmodern Christians changed the speech and emphasis but reproduced the same pattern of ministry When we compare them both groups are alike they all use pragmatism as foundation for ministry thus their teachings are unbiblical their practice unethical and its results devastating to the Christian faith The new painters take advantage of the mistakes of some groups of the evangelicalism with this they find the opportunity to throw out the baby with the dirty bathwater they throw away the true Gospel along with the errors of the church Such opportunism is clearly detected in their effort to establish a stereotype to represent historic Christianity as a group of ignorant and devoid of love Fundamentalist fanatics while they pose as open minded good boy preachers and love givers with no trace of prejudice By opposing legalism these men went to the other extreme they became libertines Thus their offered antidote became worse than the poison itself The neoliberal theologians came not to bring healing to the churchs problems rather they aggravated it They are opportunists who are creating a neo

Christianity under the perspectives of this new postmodern world What Would Jesus Deconstruct? John D. Caputo, 2014-05-14 Uses the postmodern theme of deconstruction to suggest a constructive and provocative way forward for the church **Christianity and the Postmodern Turn** Myron B. Penner, 2005-07-01 In our post Cold War post colonial post Christian world Western culture is experiencing a dramatic shift Correspondingly says Myron Penner recent philosophy has taken a postmodern turn in which traditional concepts of reality truth language and knowledge have been radically altered if not discarded Here James K A Smith John Franke Merold Westphal Kevin Vanhoozer Douglas Geivett and R Scott Smith respond to the question What perils and or promises does the postmodern turn hold for the tasks of Christian thinkers Addressing topics such as the nature of rationality and biblical faith the relationship of language to reality and the impact of postmodern concerns on ethics this book presents a variety of positions in vigorous dialogue with each other

*Baptists and the Emerging Church Movement* David Mark Rathel, 2014-07-24 In *Baptists and the Emerging Church Movement* David Rathel examines the major ecclesiological proposals of the emerging church movement Though many theologians argue that the emerging church movement emphasizes epistemology Rathel contends that its primary concern is ecclesiology Emerging church leaders offer a number of important ecclesiological proposals including restructuring traditional church leadership models to accommodate the rise of postmodernity changing the mission of the church so that the church may strike a more missional tone in contemporary culture removing the categories of in or out within the church body and adopting the multi site church model In assessing these proposals Rathel draws upon historic Baptist convictions about the nature of the church using Baptists ecclesiological distinctives and long history of ecclesiological thought as a helpful reference point This book will not only serve as a guide for those who wish to learn of emerging church ecclesiology it will also be an aid to Baptists who wish to evaluate recent trends in ecclesiology in light of their denominational distinctives

Dr. Wendi Sargeant,2015-07-24 All signs point to Christian education having lost its theological location and prominence in the life of the Western Protestant church The Emerging Church movement as an intentionally postmodern approach to ministry in the contemporary context may however offer insights to reinterpret Christian education This significant movement in today s church gives Christian education a new interpretive framework that is theologically

located at an intersection of doxology and doctrine In her examination of postmodern faith formation Wendi Sargeant explores the importance of the Christian worshipping community as the most appropriate setting for Christian education Practitioners and students will benefit from the ready to use teaching and learning matrix and all those with interest in the formation of faith in themselves and others will draw much from the way Sargeant situates worship as the basis for enhancing Christian formation and ethos [The Church in the Postmodern World](#) John E.
