"Recipes Mrs Horne Payne,2020 **Meats, Poultry and Game, How to Buy, Cook and Carve** M. Edouard Panchard,2017-10-18 Excerpt from Meats Poultry and Game How to Buy Cook and Carve With a Potpourri of Recipes Not many housekeepers give enough thought to the characteristics of the various cuts of meat resulting from their natural relation to the living animal Indeed the cook or the carver who knows just what part of the living animal is represented by the piece before him or what relation the bone in a steak or roast sustains to the animal's skeleton is doubtless the very rare exception Yet nothing could be simpler than to familiarize oneself with the various cuts of meat as exemplified in the accompanying plates or to identify these upon the butcher's counter Indeed any housekeeper can readily arrange by appointment with the butcher to be at hand when the latter is cutting up a side of beef veal mutton or pork and thus receive without expense a practical demonstration of the art of meat cutting About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
