## **The Presidio:**

*The Presidio* Lisa Benton-Short,1998 The story of the Presidio s conversion from military post to national park

Historic Photos of the Presidio Rebecca Schall,2008 This book is a photographic history covering the Presidio from its humble beginnings as a distant outpost of the Spanish Empire on the Pacific Coast into the most important American military post in the western United States The Public Health Service Hospital at the Presidio of San Francisco ,2006 National parks significant progress made in preserving the Presidio and attaining financial selfsufficiency : report to congressional requesters , Presidio ,1996 **The Presidio** Max L. Moorhead,1991 The Presidio is the first full account of this

important aspect of the Spanish dominion in the New World The author spent many years in the United States Mexico and Spain searching out the sites of the presidios most of which have now crumbled to dust In Spain he discovered detailed plans of many of them which are included in the book **Forts of the United States** Bud Hannings,2020-10-02 From forts to

blockhouses garrison houses to trading posts stations to presidios missions to ranches and towns this work provides a history of the primary fortifications established during 400 tumultuous years in what would become the United States of America Under each state s heading this substantial volume contains alphabetized entries with information regarding each structure s history The earliest forts established by the Danes Dutch English French Portuguese Swedes and Mexicans and by the temporary appearance of the Russians are listed The colonial American forts many of which were previously established by the European powers are covered in detail Beginning with the American Revolution each of the American military fortifications militia forts settlers forts and blockhouses is listed and described Helpful appendices list Civil War defenses and military hospitals of Washington D C Florida Seminole Indian war forts Pony Express depots Spanish missions and presidios and twentieth century U S forts posts bases and stations A chronology of conflicts that paralleled the growth of the United States is also provided offering insight into the historical context of fort construction *The New Urban Park* Hal

Rothman,2004 From Yellowstone to the Great Smoky Mountains America s national parks are sprawling tracts of serenity most of them carved out of public land for recreation and preservation around the turn of the last century America has changed dramatically since then and so has its conceptions of what parkland ought to be In this book one of our premier environmental historians looks at the new phenomenon of urban parks focusing on San Francisco s Golden Gate National Recreation Area as a prototype for the twenty first century Cobbled together from public and private lands in a politically charged arena the GGNRA represents a new direction for parks as it highlights the long standing tension within the National Park Service between preservation and recreation Long a center of conservation the Bay Area was well positioned for such an innovative concept Writing with insight and wit Rothman reveals the many complex challenges that local leaders politicians and the NPS faced as they attempted to administer sites in this area He tells how Representative Phillip Burton guided a comprehensive bill through Congress to establish the park and how he and others expanded the acreage of the

GGNRA redefined its mission to the public forged an identity for interconnected parks and struggled against formidable odds to obtain the San Francisco Presidio and convert it into a national park Engagingly written The New Urban Park offers a balanced examination of grassroots politics and its effect on municipal state and federal policy While most national parks dominate the economies of their regions GGNRA was from the start tied to the multifaceted needs of its public and political constituents including neighborhood ethnic and labor interests as well as the usual supporters from the conservation movement As a national recreation area GGNRA helped redefine that category in the public mind By the dawn of the new century it had already become one of the premier national park areas in terms of visitation Now as public lands become increasingly scarce GGNRA may well represent the future of national parks in America Rothman shows that this model works and his book will be an invaluable resource for planning tomorrow s parks

**The Code of Federal Regulations of the United States of America** ,2006 The Code of Federal Regulations is the codification of the general and permanent rules published in the Federal Register by the executive departments and agencies of the Federal Government

**San Francisco's Presidio** Robert W. Bowen,2005 What was once home to the native tribe known as the Ohlone and functioning as guardian of the San Francisco Bay under Spanish Mexican and American flags the Presidio has served as outpost as well as cultural barometer of the vast changes this country and the state of California have seen For almost a century and a half the U S military transformed these grounds into a logistical centerpiece for every American conflict and created a pioneering airfield for early flight experiments The Presidio served as the headquarters for the Western Defense Command during World War II and until its closure in 1994 The Golden Gate National Recreation Area then embraced a unique opportunity to develop the Presidio into a mixed use area where it once again became an influential icon as development tackled various social cultural and environmental issues to point northern California into a new century while simultaneously tracing this country s past
