## **The Problem Is God:**

**The Problem of God** Mark Clark,2017-08-22 The Problem of God explores answers to the most difficult questions raised against Christianity A skeptic who became a Christian and then a pastor author Mark Clark grew up in an atheistic home After his father s death he began a skeptical search for truth through the fields of science philosophy and history eventually finding answers in the last place he expected Christianity In a winsome persuasive and humble voice The Problem of God responds to the top ten interrogations people bring against God and Christianity including Does God even exist in the first place What do we do with Christianity s violent history Is Jesus just another myth Can the Bible be trusted Why should we believe in Hell anymore today Each chapter answers the specific challenge using a mix of theology philosophy and science Filled with compelling stories and anecdotes The Problem of God presents an organized and easy to understand range of apologetics focused on both convincing the skeptic and informing the Christian The book concluding with Christianity s most audacious assertion how should we respond to Jesus claim that he is God and the only way to salvation

**The Problem of God Study Guide** Mark Clark,2021-09-28 Explore and discuss the top 10 most difficult questions raised against Christianity You may be skeptical of Christianity yourself You may have grown up in the church and never questioned your beliefs You may be somewhere in the middle or unsure where you stand But wherever you are this ten session study guide DVD streaming video sold separately is designed to take you and your group through the biggest questions people raise against God and the Christian faith Based on the explorations of his book The Problem of God Mark Clark uses an engaging mix of theology philosophy science and story to investigate the essential questions that weigh on the human mind God s existence the veracity of the Bible evil and suffering hell sex hypocrisy exclusivity and the claims of Jesus This video based study is designed to be experienced in a group setting or any small gathering Throughout the ten sessions you ll take part in a number of activities including Watching the video teachings from Mark The Problem of God Video Study sold separately Group discussion questions Written responses and personal reflections Scripture readings and prayers The Problem of God Study Guide provides a safe space to wrestle intentionally with the questions the ideas and the evidence and ultimately to wrestle with faith and doubt Sessions include The Problem of Science The Problem of God s Existence The Problem of the Bible The Problem of the Christian Myth The Problem of Evil and Suffering The Problem of Hell The Problem of Sex The Problem of Hypocrisy The Problem of Exclusivity The Problem of Jesus The Problem of God Video Study 9780310108399 sold separately

**The Problem of God** Edgar Sheffield Brightman,1930 **The Problem of God** ,1974 [The Problem of God Study Guide Plus Streaming Video](#) Mark Clark,2025-06-17 The Problem of God is written by a skeptic who became a Christian and then a pastor all while exploring answers to the most difficult questions raised against Christianity In ten sessions Pastor Mark Clark tackles the tough challenges to the faith in a disarming winsome and persuasive way **The problem of God** John Courtney Murray,1962 *The Problem of God* Erin M. Cline,2026 This book based on the

Georgetown University course The Problem of God which the author has been teaching for the last fifteen years explores the challenges of religious belief and spirituality through the lens of both historical and contemporary sources from a diversity of religious traditions around the globe It explores fundamental issues concerning belief in God including the existence and nature of God different forms of theism and alternatives to theism warranted belief and the challenges posed by the problem of evil modern science atheism and religious pluralism Provided by publisher **God, I've Got a Problem** Ben Ferguson,2021-01-25 *The Problem of God* Edgare S. Brightman,1979-04 Life's Problems - God's Solutions J. Dwight Pentecost, Dr Pentecost draws from his years of counseling experience to find answers in the Word of God to issues such as guilt doubt depression and resentment **God the Problem** Gordon D. Kaufman,1972 The most discussed and most significant issue on the religious scene today is whether it is possible or even desirable to believe in God Mr Kaufman s valuable study does not offer a doctrine of God but instead explores why God is a problem for many moderns the dimensions of that problem and the inner logic of the notion of God as it has developed in Western culture His object is to determine the function or significance of talk about God how the concept of God is generated in human experience the special problems in turn generated by this concept for example the intelligibility of the idea of transcendence the problem of theodicy and how they are met and under what circumstances the idea of God is credible or important or even indispensable He does not try to prove God s existence or nonexistence but elucidates what the concept of God means and the important human needs it fulfills Four of the eleven essays have been previously published at least in part seven are completely new *God's Problem* Bart D. Ehrman,2008-02-19 A top Bible scholar and New York Times bestselling author of Misquoting Jesus challenges the varied and contradictory biblical explanations for why an all powerful God allows suffering **The Problem of God** Peter A. Angeles,Peter A. Schoedinger,1986 The material in this book is philosophically as opposed to theologically or religiously oriented stressing the problem of God as a logical and philosophical problem The perspective is critically analytic in the Naturalistic Humanistic tradition The basic approach is an issues or problems approach but this is set in a historical context with quotations from Greek philosophy the Church Fathers the Medieval period and from modern philosophers The aim is to enable students to see what is being said and has been said about God and thereby fits this into a better framework in the light of present knowledge and society It is hoped that students will develop an awareness and appreciation of the philosophical problems in the concept of God that they will acquire the ability to engage in intelligent evaluation and exchange of ideas and that they will display these qualities in their everyday thought This volume is by no means exhaustive of all the themes in the Philosophy of Religion The most fundamental ones about God s existence are covered thoroughly The book is a starting point for more intensive work in the subject It lays down the basic groundwork for an easy transition to other topics and to more sophisticated thought patterns The writing has been kept as concise and elementary as possible with short sections on a variety of topics **God and Intelligence in Modern Philosophy** Fulton John Sheen,1925 **My**
