Troubled Talk:

Family Troubles? Jane Ribbens McCarthy, Carol-Ann Hooper, Val Gillies, 2014-10-15 As the everyday family lives of children and young people come to be increasingly defined as matters of public policy and concern it is important to raise the question of how we can understand the contested terrain between normal family troubles and troubled and troubling families In this important timely and thought provoking publication a wide range of contributors explore how troubles feature in normal families and how the normal features in troubled families Drawing on research on a wide range of substantive topics including infant care sibling conflict divorce disability illness migration and asylum seeking substance misuse violence kinship care and forced marriage the contributors aim to promote dialogue between researchers addressing mainstream family change and diversity in everyday lives and those specialising in specific problems which prompt professional interventions In tackling these contentious and difficult issues across a variety of topics the book addresses a wide audience including policy makers service users and practitioners as well as family studies scholars more generally who are interested in issues of family change
