

A photograph showing the hands of several people resting on a thick, rustic wooden table. The hands are clasped together, suggesting a group activity or prayer. The background is slightly blurred, focusing attention on the hands and the text overlaid on the table.

True discipleship involves deep relationships. Jesus didn't simply lead a weekly Bible study. He lived life with His disciples and taught through actions as well as words.

True Discipleship:

True Discipleship John Koessler,2003 In True Discipleship John Koessler provides a straightforward presentation of the characteristics Jesus required His disciples to possess As he offers teaching on the practice and responsibility of being a disciple readers will be stretched in their thinking and encouraged in their journey *True Discipleship Companion Guide* John Koessler,2003-03 In True Discipleship and its companion guide Koessler provides a straightforward presentation of the characteristics Jesus laid out for His disciples As the author offers teaching on the practice of discipleship and the responsibility of being a disciple readers can be stretched in their thinking and encouraged in their journeys TRUE DISCIPLESHIP GARY CRANDALL,2018-02-01 True Discipleship is a fresh approach to the issue of discipleship Although evangelical Christians are fairly united as to the goal of discipleship Christ likeness there is a lack of clear direction as to how to get there **True Discipleship** William MacDonald,1975 *Disciples Indeed* Matthew Ball,2022-11-23 In St John 8 31 Jesus used the words disciples indeed which means true disciples If there are disciples indeed then there must also be those who claim to be a disciple but are not in fact a true disciple This small group or personal Bible study explores five principles of true discipleship It answers the question What does a true disciple of Jesus Christ look like Disciples indeed are more than Christians in title only Disciples indeed have experienced radical spiritual transformation Disciples indeed have a deep personal relationship with Christ who is truly their Lord Disciples indeed are fulfilling their divine purpose and impacting the world around them through the love of Christ Growing True Disciples George Barna,2001 Christ s command to the church is clear Go therefore and make disciples of all nations It is in building disciples helping others to embrace Jesus Christ as Savior and Lord mature in him and then lead others to do the same that the Kingdom grows And when the Kingdom grows churches do too In Growing True Disciples respected author and researcher George Barna helps pastors and leaders assess how their churches are doing in fulfilling their role as disciplemakers And he reveals models and examples that will equip churches to dramatically increase their effectiveness As a result your church can begin to see more involved members who want to live out their faith in submission to God and joyfully share their resources to fulfill Christ s commission **The Road to True Discipleship** Rob Pohlman,2016-02-09 Over the last twenty five years God has been preparing Rob Pohlman for presenting this book to the Christians of this age Rob shows us what we have been programmed to believe by the world and how this differs from the will of God for us He shows us in detail the realities of Gods kingdom and our place in it as mature disciples of Christ who are able to contribute to the glory of God right here on this earth and prepares us for the kingdom to come Join him on the journey toward spiritual maturity that God so deeply desires for us to display and enjoy It will not be an easy journey but it will prove to be well worth the effort and life changing in every aspect of your life **True Discipleship** Gary Crandall,2018 True Discipleship is a fresh approach to the issue of discipleship Although evangelical Christians are fairly united as to the goal of discipleship Christ likeness there is a lack of clear direction as to how to get there Having a

correct destination in mind without clear directions in hand is frustrating at every turn This book seeks to provide that needed direction by laying before believers the biblical light God has provided on how we grow toward Christ likeness God's treasure map for that destination calls for us to grow in the knowledge of Jesus Explaining what that means and how that works is the purpose of this book

True Christian Discipleship G. A. N. James, PhD, 2026-02-16 True Christian Discipleship Living in Union with Christ presents discipleship not as a human effort to follow Christ but as a divine reality rooted in the believer's union with Him in His death burial and resurrection Grounded in Scripture this book explains that true discipleship begins with the end of the self life through the Cross and the emergence of the life of Christ within the believer through his resurrection with Christ Through clear spiritually profound teaching it unfolds the believer's participation in Christ's crucifixion resurrection and indwelling life showing that ministry obedience and fruitfulness flow not from human strength but from Christ living through His disciples This work calls readers to rest in the finished work of God and to walk in the simplicity and power of the Christ life

Authentic Discipleship Edward Michael Gross, 2013-04-16 We are living in days when as Mike Breen says we are in a discipleship crisis in the Western Church George Barna's studies have shown that there is currently no discernible difference between the lifestyles of many believers and non believers This is the reason for this book to help you fulfill Jesus command to make disciples The book is helpful in at least two ways First the believer can and will grow spiritually by taking on the sessions one at a time to learn what it means to follow Jesus These sessions are meant to be nothing less than opportunities for an encounter with the living Lord Himself You can begin to monitor your own spiritual progress as Christ and His Book become more meaningful to you day by day Secondly the book is a guide to help a disciple maker take a disciple through it step by step so that together they can work through the stages of follow up and the beginnings of discipleship As Josh Hunt a leading guru of the micro church says of the book This book will take you step by step in laying the foundation every Christian needs to live a fruitful abundant Christian life Special attention is given to having assurance at three levels Promise Assurance from the guarantees of God's Word Proof Assurance from the evidences salvation gives in your life and Personal Assurance from the Holy Spirit Author Bio Dr Edward Michael Gross is President of Vanguard Global Network a pastoral training mission in Columbia SC which helps to equip the world's churches to fulfill the Great Commission in disciple making Ed was a pastor for 22 years and has served in world missions for the last 15 years Ed is married to Maxine they have 6 grown children and 11 grandchildren The Grosses live in Lexington SC

[Becoming a True Disciple: The Revolution of Spirit-Led Disciples of Christ](#) Dr. Stephen L. Gray, 2016-03-04 Becoming a True Disciple The Revolution of Spirit Led Disciples of Christ shares the experiences and insights of Dr Stephen L Gray He recounts his journey as a follower of Jesus Christ who heard heeded and acted on God's calling to become a missionary He followed that summons and traveled to the coastal regions of Tanzania and Kenya in East

Africa There he worked as a witness to Jesus Christ sharing the gospel so that others might become disciples led by the Holy Spirit The narrative and reflection in *Becoming a True Disciple* leads the reader to contemplate topics like being a disciple spiritual growth the Holy Spirit a devotional life prayer honoring God s word renewing the mind creating a spiritual environment faith and joining in Christ s Great Commission *Becoming a True Disciple The Revolution of Spirit Led Disciples of Christ* resists falling into the trap of trying to teach discipleship as a process that one may implement **Christ's Call to Discipleship** James Montgomery Boice,2013-09-06 Boice describes what it means to live a life of true discipleship recognizing Christ s dominion not only as Savior but also as Lord Popular radio speaker author and pastor James Montgomery Boice describes what it means to live a life of true discipleship recognizing Christ s dominion not only as Savior but also as Lord Dr Boice explores the meaning path cost and rewards of being a true disciple As the author asserts in the preface I believe that if America could produce a generation of Christians who genuinely affirm and live by these teachings **Understanding True Discipleship** Mayel Haruna,2022-12-29 When Jesus was on this earth the Lord Jesus called men and women to make them disciples Today the Lord still call men and women to Himself for the purpose of making them His disciples The book is written for anyone who desires to follow the Lord and to be His true disciple It is written so that it can be used in small groups and between a facilitator and student God is Methodical You know how we exhorted and comforted and charged every one of you as father doth his children that you would walk worthy of God who hath called you unto His Kingdom and Glory 1 Thessalonians 2 11 12 This book is by no means exhaustive of all the different aspect of discipleship There are things a believer can only discover through consistent fellowship with the Lord Jesus Also there are other things that a disciple can only discover as a result of applying the lessons learnt in discipleship through regular and consistent study of the word of God However the key areas or the touchstones of true discipleship are considered in this book **Authentic Discipleship** Martin Harris,2019-02-06 Authentic discipleship is a step by step method for achieving Christian spiritual maturity It is a Bible based process using 2 Peter chapter 1 as its source The Apostle Peter reveals the process at the end of his life where he is expressing his concern for the spiritual well being of his flock The process reveals the actual expectations of the Lord for the spiritual development of Christian people for ministry and how to accomplish it The people were first called Christians at Antioch because they followed the teachings of Christ The term was meant to be derogatory but was never considered so by them They not only followed Him but also actually intended to allow the Living Savior to express Himself through them even as John the Baptist cried out He must increase but I must decrease The more Christlike we can become the greater our discipleship is realized It is the aim of this book to help Christians who so desire to realize their goal as the Lord permits **Ministry** Kenan Osborne OFM,2003-02-19 Ministry explores the rich and consistent history of lay ministry in the Roman Catholic Church since the first witness in the Bible Kenan Osborne a well known theologian combines his personal insights in contemporary spirituality to address the major issues that lay men and women face within the church structures at various

periods of time Has the role of the lay person in the Roman Catholic Church been diminished or supported over the centuries Ministry examines the historical evidence thoroughly and focuses on three important factors First Osborne offers a critical examination of the discipleship of every follower of Jesus Next he describes the gradual de emphasis of the non cleric and non religious in the church Finally he discusses the gradual emergence of the lay person into the mainstream of discipleship Ministry is designed for the lay person and the ordained A complement to Osborne s previous book Priesthood this book is an extremely important historical study and must reading for those who seek the central foundation of discipleship within the Roman Catholic Church

Jesus' Farewell to the Disciples Tolmie,2021-08-30 Jesus Farewell to the Disciples continues and intensifies the quest for uncovering the full potential of narrative criticism of the Fourth Gospel by means of a narratological analysis of John 13 1 17 26 After a discussion of theoretical issues the author selects a particular narratological model This is discussed in detail and then utilised for a systematic analysis of John 13 1 17 26 The results of the analysis are integrated in order to indicate the way in which a particular perspective on discipleship is presented in these chapters This book is important for scholars who are interested in the application of narrative criticism to biblical texts as well as in the Johannine perspective on discipleship

Dictionary of Jesus and the Gospels Joel B. Green, Scot McKnight, I. Howard Marshall,1992-02-18 Edited by Joel B Green Scot McKnight and I Howard Marshall this reference work encompasses everything relating to Jesus and the Gospels

Expository Systematic Teachings of Christ According to Saint Luke Raphael Alade Adeniyi,2026-03-10 Expository Systematic Teachings of Christ According to Saint Luke Volume 2 is an unabridged work This means that the author has not omitted any portion of the chapters or verses even when they are difficult to understand Rather the author has been guided by the Holy Ghost and has patiently waited for direction from the Spirit before undertaking the interpretation of Christ s words The lessons presented in this book are inspired and will meaningfully assist those who desire to know Jesus Christ more deeply in their walk with God The book is written in a simple and accessible style for readers of all backgrounds Children at the elementary school level will find it easy to study and understand At the same time the book meets the needs of academic students in universities University students will gain deeper insight into the doctrines of Jesus Christ and learn how sermons and biblical studies are prepared Finally ministers of God who believe in the authority of the Scriptures will benefit greatly from this work The sermons are interpreted clearly and simply with appropriate scriptural references provided to reinforce understanding of the subject matter

Discipleship in Education Joseph Allotta,2018-02-08 Students are often tested to evaluate their academic knowledge but few Christian schools use objective measures to determine if a student has become a true disciple of Christ Unfortunately there are few organizations that provide metrics for measuring biblical knowledge let alone any sort of comparative evaluation of students engaging in the Christian disciplines forming a biblical worldview or actually being impacted spiritually by the programs of the school No matter whose statistics one chooses to believe the inescapable truth is that the church is losing its young men

and women at an alarming rate once they graduate from high school The solution to this problem is simple but increasingly difficult to solve with each passing year Discipleship is what is needed for young people to truly identify who they are in Christ so that they can begin to develop godly habits and ultimately grow in their knowledge faith and desire to serve the Lord and his Kingdom Christian schools have some particular advantages in the area of discipleship however their full potential is at the moment untapped Discipleship in Education is about preparing everyone from administrators teachers pastors and parents to be ready to unleash that potential True Discipleship (with Study Guide) William MacDonald,2016-12-05 A disciple can be forgiven if he does not have great mental ability or physical prowess But he cannot be excused if he does not have zeal If his heart is not aflame with a red hot passion for the Saviour he stands condemned After all Christians are followers of the One who said Zeal for Your house has eaten Me up John 2 17 Their Saviour was consumed with a passion for God and for his interests Those who are constrained by the love of Christ will count no sacrifice too great to make for Him
