True Fires:

True Fires Susan Carol McCarthy, 2007-12-18 In the idyllic town of Lake Esther Florida little is allowed to ripple the surface calm which is just the way Sheriff Kyle Deluth likes it But when Deluth removes two young children from the local school because of the color of their skin the sheriff's senseless act of cruelty sparks a fire under the women of Lake Esther that will scorch the lives of all involved In their pursuit of justice an indomitable heiress a revered journalist and a fading Southern Belle will forge an unlikely alliance across the racial divide One that will change the face of the town and their lives forever Deeply moving and peopled with a rich cast of characters Susan Carol McCarthy mines the hotbed of racism with insight and compassion Bittersweet inspirational and wholly compelling True Fires confirms McCarthy's reputation as a dazzling new voice in probing real life events to interpret the injustices of our past
