Rusciano is a self confessed bottomless pit of anxiety with a taste for glitter And behind the stage make up Em is an overachiever of epic proportions camp to the core and fiercely maternal She has all the insecurities of a person who spends their nights racked with self doubt and all the confidence of a woman who can walk out onto a stage in front of a sold out theatre and absolutely slay the crowd Em has an army of gay men she adores tells the best dirty jokes and loves those closest to her ferociously When the chips are down you definitely want her by your side This all singing all dancing all emoting leopard print clad warrior is fearless fabulous and pants wettingly funny Her words on the page are silly and sacred bawdy and heartfelt The stuff of life Try Hard is her story Because she is And she does *Wisdom From the Margins* William G. Britton,2018-05-16 Henri Nouwen wisely said The great illusion of leadership is to think that man can be led out of the desert by someone who has never been there Jesus has been there and knows how to lead us out but first he just may lead us in He meets us in the desert and does his best work in us there We look for an easier way in vain I myself reluctantly entered the desert and eventually received unimagined gifts there gifts I didn t ask for deserve or want gifts hidden in such painful loss that I despaired and yet looking back now these desert gifts were the best thing that ever happened to me I entered the desert and years later found my way out It s not a new way it was just new to me Jewish and Christian sages had been living it for thousands of years Somehow in recent generations we managed to forget it In this collection I mean to begin to make those riches available to you I m hoping that like me you ll discover something that you didn t know you wanted or needed and something now you wouldn t give up at any price *The Me I Want to Be* John Ortberg,2009-12-22 The Me I Want to Be will help you discover spiritual vitality like never before as you learn to live in the flow of the spirit Why does spiritual growth seem so difficult God s vision for your life is not just that you are saved by grace but that you also learn to live by grace flourishing with the Spirit flowing through you And this book will show how God s perfect vision for you starts with a powerful promise All those who trust in God will be like a tree planted by the water that sends out its roots by the stream It does not fear when heat comes its leaves are always green It has no worries in a year of drought and never fails to bear fruit Jeremiah 17 7 8 Pastor and bestselling author John Ortberg first helps gauge your spiritual health and measure the gap between where you are now and where God intends you to be Then he provides detailed tasks and exercises to help you live in the flow of the Spirit circumventing real world barriers pain and sorrow temptations self doubt sin to flourish even in a dark and broken world As you start living in the flow you will feel a deeper connection with God a growing sense of joy an honest recognition of your brokenness less fear and more trust a growing sense of being rooted in love and a deeper sense of purpose God invites you to join Him in crafting an abundant and joy filled life The Me I Want to Be shows you how to graciously accept His invitation Spanish edition also available as well as a video study and study guide **Getting what You Want?** Robert Brecher,1997 Getting What You Want offers a critique of liberal morality and an analysis of its understanding of the individual as a wanting thing **A Failure of Nerve** Edwin H. guide for leaders to cast a courageous and imaginative vision to lead resiliently and to be present and steady in times of deep anxiety Ed Friedman s genius was to see the individual in the family in the larger group bringing the wisdom of his experience as a therapist and rabbi to the field of organizational leadership A timeless bestseller A Failure of Nerve still astonishes in this new edition with its relevance and continues to transform the lives of leaders everywhere business church family schools as it has for more than 20 years Offers prescient guide to leadership in the age of quick fix Provides ways to recognize and address organizational dysfunction Emphasizes strength over pathology in these anxious times The age that is upon us requires differentiated leadership that is willing to rise above the anxiety of the masses We need leaders who will have the capacity to understand and deal effectively with the hive mind that is us This is in Friedman s words the key to the kingdom I am grateful for this accessible new edition C Andrew Doyle Bishop Episcopal Diocese of Texas
