A Martian Stranded on Earth Nikolai Kremmentsov, 2011-07-05 Much like Vladimir Lenin his onetime rival for the leadership of the Bolshevik party during its formative years Alexander Bogdanov 1873 1928 was a visionary In two science fiction novels set on Mars Bogdanov imagined a future in which the workers of the world liberated from capitalist exploitation create a physiological collective that rejuvenates and unites its members through regular blood exchanges But Bogdanov was not merely a dreamer He worked tirelessly to popularize and realize his vision founding the first research institute devoted to the science of blood transfusion In A Martian Stranded on Earth the first broad based book on Bogdanov in English Nikolai Kremmentsov examines Bogdanov's roles as revolutionary novelist and scientist presenting his protagonist as a coherent thinker who pursued his ideas in a wide range of venues Through the lens of Bogdanov's involvement with blood studies on one hand and of his fictional and philosophical writings on the other Kremmentsov offers a nuanced analysis of the interactions between scientific ideas and societal values

**Diplomacy and Murder in Tehran** Laurence Kelly, 2006-08-25 In this first biography of Griboyedov in English Laurence Kelly paints a vivid picture of his remarkable literary and diplomatic gifts which were nevertheless overshadowed by ill fortune and tragedy When the Tehran mob broke into the Russian embassy and murdered all the diplomats there the death toll included one of the most brilliant and promising stars in the early 19th century Russian literary firmament Alexander Griboyedov's masterpiece Woe from Wit had been praised by Pushkin as making an indelible impression It also had the distinction of being immediately banned by the Russian censors The play's alternative title was The Misfortune of Being Clever and perhaps Griboyedov's tragedy was that he was not clever enough to withstand the malign forces which shadowed and dogged his career As a writer he narrowly escaped the ferocity of the Tsar's government on suspicion of complicity in the 1825 Decembrist plot by liberal aristocrats to overthrow the Tsarist state After his brush with the wrath of the Tsar Griboyedov was dispatched to Georgia and Iran charged with furthering Russia's expansionist agenda in the Caucasus and beyond As one of the earliest Russian players in the Great Game he was a leading actor in defining the Tsar's relations with the Persians and the British in the region But Griboyedov viewed his mission to Tehran as Russian Minister Plenipotentiary with the greatest foreboding In the end his diplomatic skills were no match for the zealous mobs unleashed by the mullahs incensed by trivial incidents which they portrayed as a slur on Iran's self esteem and the honour of Islam This book makes an invaluable contribution to the diplomatic history of Russia the Caucasus and Iran while at the same time shedding much new light on the life and works of a writer who was among 19th century Russia's most respected and prominent literary figures

**The Great War in Russian Memory** Karen

Petrone, 2011-07-14 Karen Petrone shatters the notion that World War I was a forgotten war in the Soviet Union. Although never officially commemorated, the Great War was the subject of a lively discourse about religion, heroism, violence, and patriotism during the interwar period. Using memoirs, literature, films, military histories, and archival materials, Petrone reconstructs Soviet ideas regarding the motivations for fighting, the justification for killing, the nature of the enemy, and the qualities of a hero. She reveals how some of these ideas undermined Soviet notions of military honor and patriotism, while others reinforced them. As the political culture changed and war with Germany loomed during the Stalinist 1930s, internationalist voices were silenced, and a nationalist view of Russian military heroism and patriotism prevailed. **A**

**Bibliography of Persia** Sir Arnold Talbot Wilson, 1930 **Iranian-Russian Encounters** Stephanie Cronin, 2013 Over the past two hundred years, encounters between Iran and Russia have been both rich and complex. This book explores the myriad dimensions of the Iranian-Russian encounter during a dramatic period which saw both Iran and Russia subject to revolutionary upheavals and transformed from multinational dynastic empires typical of the nineteenth century to modernizing authoritarian states typical of the twentieth. The collection provides a fresh perspective on traditional preoccupations of international relations: wars and diplomacy, the hostility of opposing nationalisms, the Russian imperial menace in the nineteenth century, and the Soviet threat in the twentieth. Going beyond the traditional, this book examines subaltern as well as elite relations and combines a cultural, social, and intellectual dimension with the political and diplomatic. In doing so, the book seeks to construct a new discourse which contests the notion of an implacable enmity between Iran and Russia. Bringing together leading scholars in the field, this book demonstrates extensive use of family archives, Iranian, Russian, and Caucasian travelogues and memoirs, and newly available archives in both Iran and the countries of the former Soviet Union. Providing essential background to current international tensions, this book will be of particular use to students and scholars with an interest in the Middle East and Russia. **The Encyclopaedia of Islām**, 1970 [The Encyclopaedia of Islam](#), 1934 *The Encyclopaedia of Islam: T-U*, 1998 [A Bibliography of Iran: History, mythology & foreign relation \(political and military\)](#) Y.
