Walk Together Children:

Walk Together Children Dwight N. Hopkins, Linda E. Thomas, 2010-01-01 Walk Together Children Black and Womanist Theologies Church and Theological Education draws on the long religious cultural and singing history of blacks in the U S A Through the slavery and emancipation days until now black song has both nurtured and enhanced African American life as a collective whole Communalism has always included a variety of existential experiences What has kept this enduring people in a corporate process is their walking together through good times and bad relying on what W E B DuBois called their dogged strength to keep from being torn asunder Somehow and somehow they intuited from historical memory or received from transcendental revelation that keeping on long enough on the road would yield ultimate fruit for the journey Walk Together Children Ashley Bryan, 1974 A collection of familiar and lesser known spirituals including Walk Together Children Little David Play on Your Harp I Got Shoes and others Best-loved Negro Spirituals Nicole Beaulieu Herder, Ronald Herder, 2001-01-01 Beloved spirituals include such lasting favorites as All God s Children Got Shoes Balm in Gilead Deep River Down by the Riverside Ezekiel Saw the Wheel Gimme That Ol Time Religion He s Got the Whole World in His Hand Roll Jordan Roll Sometimes I Feel Like a Motherless Child Steal Away to Jesus Swing Low Sweet Chariot This Train Waded in the Water We Are Climbing Jacob s Ladder Were You There When They Crucified My Lord and many more Excellent for sing alongs community programs church functions and other events *Recorded Solo Concert Spirituals, 1916-2022*, 2023-05-08 This work catalogs commercially produced recordings of Negro spirituals composed for solo concert vocalists More than 5 000 tracks are listed with entries sourced from a variety of recording formats The featured recordings enhance the study of concert spiritual performance in studio concert worship service or competition settings Arranged alphabetically entries variously identify the accompaniment including chorus piano orchestra guitar flute and violin in concert spiritual recordings The voice types of soloists are included as is the level of dialect used by various performers The composers publishers and format information are also listed when available While structured like a discography this guide extends beyond solely providing historical context and encourages the use of the recordings themselves **African Americans and the Bible** Vincent L. Wimbush, 2001-01-01 A unique study of how the Bible constructs African Americans and how African Americans construct the bible From literature and the arts to popular culture and everyday life the Bible courses through black society and culture Despite the enormous recent surge of interest in African American religion scant attention has been paid to the diversity of ways in which African Americans have utilized the Bible African Americans and the Bible is the fruit of a four year collaborative research project directed by Vincent L Wimbush and funded by the Lilly Endowment It brings together scholars and experts sixty eight in all from a wide range of academic and artistic fields and disciplines including ethnography cultural history and biblical studies and also music film dance drama and literature The book is less about the meanings of the Bible than about the Bible and meanings less about the worlds of the Bible than about how worlds and the Bible interact in short

about how a text constructs a people and a people construct a text It is about a particular socio cultural formation but also about the dynamics that occur in the interrelation between any group of people and sacred texts in general African Americans and the Bible offers a critical lens through which the process of socio cultural formation can be viewed

The Black Poets Dudley Randall,1985-04-01 The claim of *The Black Poets* to being an anthology is that it presents the full range of Black American poetry from the slave songs to the present day It is important that folk poetry be included because it is the root and inspiration of later literary poetry Not only does this book present the full range of Black poetry but it presents most poets in depths and in some cases presents aspects of a poet neglected or overlooked before Gwendolyn Brooks is represented not only by poems on racial and domestic themes but is revealed as a writer of superb love lyrics Turning away from White models and returning to their roots has freed Black poets to create a new poetry This book records their progress from the Introduction by Dudley Randall

Were You There? Harry Thacker Burleigh,1924 *There is a Balm in Gilead* Lewis V. Baldwin,1991-01-01 Examines King's roots in Black popular culture and their role as the source of his power and vision

The Concept of Religion Reflected in the Early Negro Spirituals Smith Jeffrey A.,2008 The aim of this book is the discussion of the social environment of the spirituals and to describe the conditions out of which the spirituals were born It does not propose to give a complete account of slave life rather the slave's religion as presented in the spirituals as born

Nigger Heaven Carl Van Vechten,1926 *Spirituals Triumphant Old and New* Edward Boatner,1927 *When Couples Walk Together* Cindi McMenamin,Hugh McMenamin,2011-01-01 The demands of everyday life almost always pull husbands and wives in different directions And even when they are together there's very little opportunity to just be a couple Work children and other commitments make it a constant challenge to find quality time alone Hugh and Cindi McMenamin have put together an innovative devotional about meaningful ways that husbands and wives can draw closer together Each reading in this 31 day book offers simple helpful and fun steps a husband and wife can take to nourish closeness and intimacy Among the topics are the power of a note making a memory extending grace splurging on love finding a getaway lighten the load flirting again sharing your heart Key thoughts from Scripture are interwoven into each devotion and each ends with Points to Ponder Together as well as a couple's prayer Especially helpful are the frequent anecdotal tips from a woman's perspective Cindi and a man's Hugh

Each thematic section is prefaced by an interpretive statement and the volume introduction discusses the historical background and analyzes the basic poetics of the spirituals with regard to structure, prosody and figures of speech. Selective bibliographies of song collections and historical and theoretical works are included as well. The lyrics are indexed by title and by first line and a general index provides access to topics, themes, persons and places.
