## **Walter Felsenstein:**

**The Music Theater of Walter Felsenstein** Walter Felsenstein, Peter Paul Fuchs, 1975-01-01 **The Music Theatre of Walter Felsenstein** Walter Felsenstein, 1991 **A tribute to Walter Felsenstein**, 2007 **Transcending Dystopia** Tina Frühauf, 2021-01-01 *Transcending Dystopia* tells the story of the remarkable revival of Jewish music in postwar and Cold War Germany. Covering a wide spectrum of musical activities and geographies across the country, this book provides a panoramic view on how music contributed to transformations within and beyond Jewish communities after the Holocaust.

**Walter Felsenstein: Weg and Werk** Götz Friedrich, 1961 *The Real Tales of Hoffmann* Vincent Giroud, Michael Kaye, 2017-06-08 Of all operas in the standard repertory, none has had a more complicated genesis and textual history than Offenbach's *Tales of Hoffmann*. Based on a highly successful 1851 play inspired by the short stories by the German Romantic writer E. T. A. Hoffmann, the work occupied the last decade of Offenbach's life. When he died in October 1880, the work was being rehearsed at the Opéra Comique. At once cut and rearranged, the work was performed from the start in versions that ignored the composer's final intentions. Only a few decades ago, when previously unavailable manuscripts came to light, it became possible to reconstitute the score in its real form. Vincent Giroud and Michael Kaye's *The Real Tales of Hoffmann* tells the full story for the first time in English. After discussing how the work of Hoffmann became known and influential in France, the book includes little-known sources for the opera, especially the complete Barbier and Carré play in French and English. It describes the genesis of the opera. The annotated libretto is published in full, with the variants for the two versions of the opera with spoken dialogue or recitatives. Essays explain what was done to the opera after Offenbach's death, from the 1881 Opéra Comique production to more recent restoration attempts. There is also a survey of *Les contes d'Hoffmann* in performance from the 1970s to the present and supplementary information, including discography, filmography, and videography. *The Real Tales of Hoffmann* is intended to appeal to anyone interested in the work, specialists or non-specialists. Audiences, musicologists, and students of French opera and opéra comique will find it of particular interest, as will opera houses, conductors, singers, directors, and dramaturgs involved in performances of the opera. **A tribute to Walter Felsenstein** Mercedes-Benz, 2007 *Re-Imagining DEFA* Séan Allan, Sebastian Heiduschke, 2016-09-01 By the time the Berlin Wall collapsed, the cinema of the German Democratic Republic, to the extent it was considered at all, was widely regarded as a footnote to European film history, with little of enduring value. Since then, interest in East German cinema has exploded, inspiring innumerable festivals, books, and exhibits on the GDR's rich and varied filmic output. In *Re-Imagining DEFA*, leading international experts take stock of this vibrant landscape and plot an ambitious course for future research, one that considers other cinematic traditions, brings genre and popular works into the fold, and encompasses DEFA's complex post-unification afterlife. **Art Outside the Lines**, 2015-06-29 This collection of essays, written by leading scholars in the fields of East German art, film, literature, music, and museum studies, seeks to renegotiate the artistic legacy of the German

Democratic Republic Combining a range of theoretical and practical perspectives the volume challenges the narrow frameworks of totalitarianism and Ostalgie that have dominated discussions of art produced in the GDR It explores the diversity of art produced in the state and contests the long held perception that socialist realism and artistic innovation were mutually exclusive Crucially the collection puts art itself to the fore GDR art is considered not simply as a political by product as is so often the case but as an entity of innovation and aesthetic value in its own right *Jacques Offenbach and the Making of Modern Culture* Laurence Senelick,2017-09-21 Provides a fresh and global perspective on the works and influence of a nineteenth century musical and theatrical phenomenon *Singing Like Germans* Kira Thurman,2021-10-15 In *Singing Like Germans* Kira Thurman tells the sweeping story of Black musicians in German speaking Europe over more than a century Thurman brings to life the incredible musical interactions and transnational collaborations among people of African descent and white Germans and Austrians Through this compelling history she explores how people reinforced or challenged racial identities in the concert hall Throughout the nineteenth and twentieth centuries audiences assumed the categories of Blackness and Germanness were mutually exclusive Yet on attending a performance of German music by a Black musician many listeners were surprised to discover that German identity is not a biological marker but something that could be learned performed and mastered While Germans and Austrians located their national identity in music championing composers such as Bach Beethoven and Brahms as national heroes the performance of their works by Black musicians complicated the public s understanding of who had the right to play them Audiences wavered between seeing these musicians as the rightful heirs of Austro German musical culture and dangerous outsiders to it Thurman explores the tension between the supposedly transcendental powers of classical music and the global conversations that developed about who could perform it An interdisciplinary and transatlantic history *Singing Like Germans* suggests that listening to music is not a passive experience but an active process where racial and gendered categories are constantly made and unmade **The Opera Journal** ,1978 **Walter Felsenstein** Walter Felsenstein,2001 *The American Music Teacher* ,1976 *The New Republic* Herbert David Croly,1976 **Host Bibliographic Record for Boundwith Item Barcode 30112117958063 and Others** ,1911 *Directors in Opera: Introduction* ,2006 *Opera* George Henry Hubert Lascelles Earl of Harewood,2008 **Directors in Opera** ,2006 *Opera* Charles Osborne,1966
