Wandering Stars:

Wandering Stars Sholem Aleichem, 2010-08-31 An uproarious sprawling masterpiece by a grand Yiddish storyteller. The Oprah Magazine Translated in full for the first time one hundred years after its original publication the acclaimed epic love story set in the colorful world of the Yiddish theater. **Wandering Stars** spans ten years and two continents relating the adventures of Reizel and Leibel young shtetl dwellers in late nineteenth century Russia who fall under the spell of a traveling acting company. Together they run away from home to become entertainers themselves and then tour separately around Europe ultimately reuniting in New York. **Wandering Stars** is an engrossing romance a great New York story and an anthem for the magic of the theater.

Wandering Stars Andrew Hansen, 1916 [Three Scenarios of Revelation](#) Nativ, 2006-09-29 The book's focus from which the title is derived is taken from Revelation 11:18 and opens with The Wrath of God continues with The Judgment of Mankind and closes with The Reward of the Saints. A Jewish Biblical Scholar Nativ brings a unique often startling perspective to the Book of Revelation basing his theories in Hebraic concepts not doctrine or dogma. Nativ takes the reader on an exciting step by step journey through the Hebrew texts the original language of the Bible and through painstaking analysis breathes new life into the words of the Old Testament prophets the apostles and Jesus. Take for example the word Armageddon. Long interpreted as the ultimate battle between good and evil Nativ uses his extensive Hebrew knowledge to show it is a place not a battle and introduces the ancient Hebrew concept of a place of refuge as proof. Should Nativ be correct not only will he change the theology but dictionary definitions as well. Equally startling is his discussion of Revelation Chapter Nine regarding the opening of the bottomless pit and the release of the awesome creatures within. Nativ not only explains what they are their origins and their purpose but most surprising the creatures present location as they await the ending of the Age. Perhaps most controversial of all is Nativ's answer to the long asked question regarding the identity of the Beast and the meaning of the number 666. Not only will the reader be dumbfounded by the simplicity of Nativ's answer but horrified by the proximity. Nativ is not dogmatic. He does not expect everyone to agree with his study's conclusions but instead challenges the reader to prove him biblically incorrect. Neither prophet nor the recipient of a great revelation from God Nativ's only claim is the wisdom from God to unveil the meaning of the Book of Revelation in all its complexities.
