**St Paul in Roman Asia Minor** E. Lennox Manton,2016-01-15 This book illuminates the journeys of Saint Paul in Roman Asia Minor in a way that has not previously been attempted and the discussion presented here is in no way an effort to discuss various aspects of Saint Paul s theology Saint Paul was reticent with the details of his journeys and this has given rise to much subsequent learned speculation as to their actual course and possible deviations In the nineteen sixties I drove over the course of Saint Paul s journeys visiting those cities known to him Many of the roads especially that between Laodicea and Antalya had very poor surfaces and I speculated then that these roads must have been much worse in Saint Paul s time I was drawn to the conclusion that St Paul s journeys may have deviated from historical and theological accepted wisdom and in this book I have proposed what I believe to be some likely variations in the routes of parts of his journeys
