

How did the Slave Trade Work?

6. The European traders sell these 'luxury' goods for huge profits and become even richer.

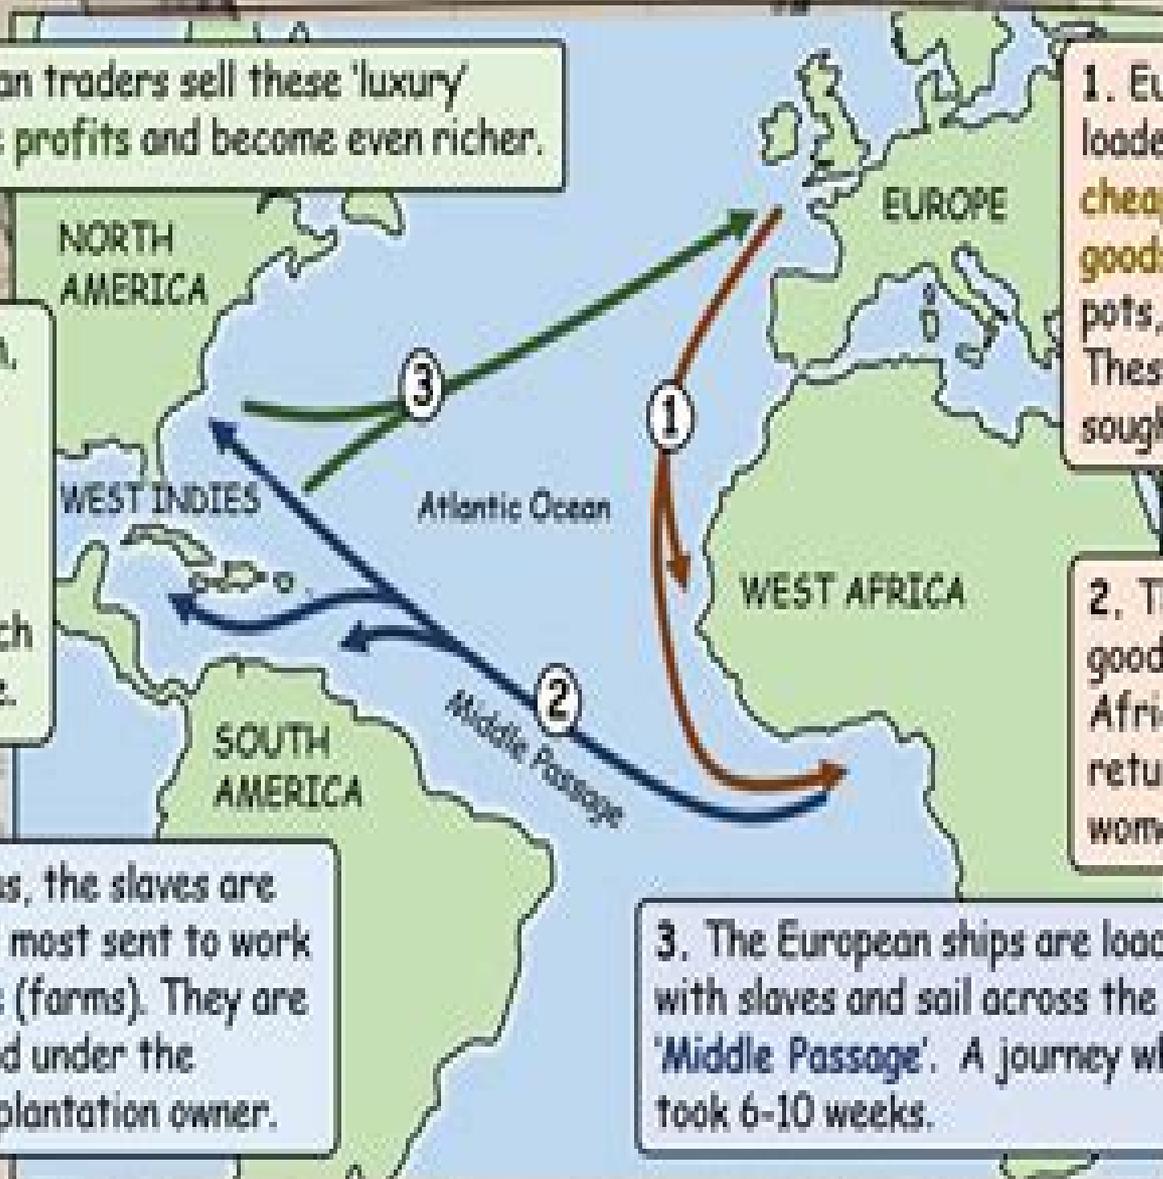

5. The cotton, rum, sugar, coffee and tobacco produced by the slaves are then loaded back onto the ships which sail back to Europe.

4. In the Americas, the slaves are auctioned off and most sent to work on the plantations (farms). They are forced to work and under the ownership of the plantation owner.

1. European traders loaded their ships with **cheap manufactured goods** such as guns, pots, pans, kettles. These goods are highly sought after in Africa.

2. These European goods are traded with African traders in return for **slaves** - men, woman and children.

3. The European ships are loaded with slaves and sail across the 'Middle Passage'. A journey which took 6-10 weeks.

Slave To The System

Julia Schneider

Slave To The System:

Getting the books **Slave To The System** now is not type of challenging means.
