## Steps We Took:

*The Steps We Took* Joe McQ, 2015-01-01 The words of this book's title are said aloud every day by thousands of people meeting together to help each other recover from addictions. The addictions may be to alcohol or cocaine, gambling or food, violence or sex, but the path to recovery is the same. The exciting thing about the Twelve Steps is that they teach us how to live. Once we know the design of living and the principles of living a successful life, we find that we not only get over the problems we see, but we avoid many other problems we would have had. To me, the miracle is that all this was boiled down into twelve simple Steps that anybody can apply. This is a book of plain-spoken wisdom for people with addictions and people who love them. Joe McQ has been a student of the Twelve Steps for more than three decades. He, like tens of thousands of others, lives them every day, one day at a time. In *The Steps We Took*, Joe takes us through them, one Step at a time, and helps us understand how they work and how they can change our lives. Memorable Life Adventures Al O'Connor, 2023-11-22

About the Book: *An Adventure of Adventures* is a collection of autobiographical short stories that provide glimpses into the boyhood to the present life of Al O'Connor. A lover of the outdoors, he has had a passion for fishing, hunting, and hiking from a young age. In addition, it is about a life well-lived where everyday happenings are viewed as adventures, often filled with humor. Many journeys are planned, but often they veer from the path in unexpected ways that are even better than were originally intended. Hopefully, O'Connor's own stories will inspire others to reminisce about their own life in the spirit of adventure. About the Author: Al O'Connor is a member of several hunting and fishing groups that advocate conserving, preserving, and enhancing wildlife and their habitats. He is also a member of a group that focuses on preserving farmlands. His hobbies include hunting, fishing, crabbing, clam digging, working on his small farm, woodworking, gardening, carpentry, mending, and repairing equipment, buildings, and their contents. O'Connor is also passionate about wildlife habitat conservation, watching wildlife, recycling metals, artwork with wood, watching sports, and working in his metal shop. He is happily married with a wife and daughter, son-in-law, and grandson. He also has a younger sister, his mother, father, and an older and a younger brother that have passed on. O'Connor is a professional civil engineer and geologist. He is a board member of the Washington Waterfowl Association, as well as a member of the Delta Waterfowl Association, Ducks Unlimited, Friends of Clark County, and Vancouver Wildlife League. **The Journal of William Dowsing** William Dowsing, 1885

*The 20 Most Misunderstood, Misinterpreted, Mistakes* Danny Falcone, 2016-02-28 After traveling the world doing workshops on the steps and Big Book studies for over twenty years, Danny has realized how many people have no real understanding of the program of recovery. The national recovery rate of 15 percent success is a far cry from the statistics of 75 percent presented in the Big Book. This book outlines the most common mistakes and misunderstandings that happen daily with the recovering population. If you want a new understanding of the 12 Step Program, this book is a must-read.
