Still Standing:

Still Standing Paul Vollmin, 2018-06-07 Growing up in a prairie farm family with a very close knit church community Paul Vollmin is raised to believe that a Christian should be different But somehow even though the Bible tells him that he has changed when he accepted Jesus as his savior he doesn't feel changed And as Paul enters a rebellious stage he starts to indulge his own personal failures losing touch with his faith and living lie after lie One day as a young husband and father he just can't sustain it any longer and finds himself hospitalized for severe depression and considering suicide as a viable way out Still Standing is Paul's personal story of coming to terms with the past and present in light of a faith in Jesus Christ Beforewarned his journey is no idealized picture of what a Christian should look like but a discovery of how a real life warts and all can be transformed by a real God In frank and frequently very funny fashion Still Standing provides full disclosure in its chronicle of God reaching into the darkest corners of a man's being to bring light and healing to a life of faith gone wrong
