The Ghost Tree:

The Ghost Tree Christina Henry, 2020-09-08 When people go missing in the sleepy town of Smith's Hollow the only clue to their fate comes when a teenager starts having terrifying visions in a chilling horror novel from national bestselling author Christina Henry When the bodies of two girls are found torn apart in the town of Smith's Hollow Lauren is surprised but she also expects that the police won't find the killer After all the year before her father's body was found with his heart missing and since then everyone has moved on Even her best friend Miranda has become more interested in boys than in spending time at the old ghost tree the way they used to when they were kids So when Lauren has a vision of a monster dragging the remains of the girls through the woods she knows she can't just do nothing Not like the rest of her town But as she draws closer to answers she realizes that the foundation of her seemingly normal town might be rotten at the center And that if nobody else stands for the missing she will

The Ghost Tree Yvette Landry, 2014-04-01 For as long as anyone can remember the children of Isle Labbe have been warned to stay out of the Catahoula Swamp It was not because of the giant alligators that would love nothing better than to make you their next meal or the water moccasins that wait with venomous fangs ready to strike the minute their territory is invaded but because folks believe that children who enter that swamp never return Cajun singer songwriter Yvette Landry's first children's story *The Ghost Tree* calls forth her childhood experiences along the swamps of South Louisiana The story begins in her ancestral home the small somewhat isolated community of Isle Labb and ends in the swamps of the Atchafalaya Basin Her grandfather tells her of an ancient Native American legend a cursed tree that comes to life every Halloween Unlucky travelers who stumble across the tree on that fateful night are never seen again He would know after all he's the only one ever to survive an encounter with the Ghost Tree

The Ghost of the Tree Caitlind L. Alexander, 2015-01-03 I had found it This house was the perfect place to write the great American novel I tumbled into bed anxious to start the next day Within half an hour I was awake again The sounds were back I got up and peered out the window That's when I saw it In the ghostly light of a half moon shining through the darkness I saw a young girl chopping at the trunk of a huge oak tree behind the house She was only about five or six years old wearing a tattered dress that was soaked in the rain The rain masked her tears but I could see

by the expression on her face that she was crying With a small ax that was more like a hatchet she was chopping and chopping at the huge trunk of the tree Why is the child chopping at the tree and what secrets does it hold inside Find out in this chilling ghost story Ages 9 and up LearningIsland.com believes in the value of children practicing reading for 15 minutes every day Our 15 Minute Books give children lots of fun exciting choices to read from classic stories to mysteries to books of knowledge Open the world of reading to a child by having them read for 15 minutes a day **The Ghost Tree** Jean Holkner,1994 The tree outside a child's bedroom window looks like different creatures at different times of the year **Cion** Zakes Mda,2007-08-21 The boy's story alternates with Toloki's own and these parallel adventures cast a new light on America in the twenty first century and on an undiscovered legacy of the Civil War and the Underground Railroad BOOK JACKET
