The God Keepers E. Richard Johnson, 1973 *The God Keepers* Emil Richard Johnson, 1970 [The Keeper](#) Irma Flanagan, 2018-01-22 Do you want to have a life that feels new and bright every day The Keeper from Notes of Amazing Love is a fresh and uplifting collection of devotionals that entwine scenes of everyday life with Gods Word adding a spark to your day and drawing you closer to God Although your life may be filled with constant struggle upheaval and turmoil God has given us signs of his presence We have but to look out the window to see a cardinal sitting in a rhododendron bush or a deer eating leaves from the trees to see the works of his hands and be awed by his creation With one touch from the Lord a troubled heart is at peace These devotionals are designed to give you that peace **Keepers of the Gods** Nikki McCoy, 2012-04 Book three in the Keepers of the Gods Series Through the aftermath of one God s lust for power three men must find the courage to love and forgive if they are to survive the ruthless schemes of a Goddess bent on revenge Malen and Turek thought they had found completion when they found each other Despite the pain of their pasts they were able to form a bond built on trust and forged in faith When the call came to once again rise up against the cruelty of Mikel the son of Death they were among the first to answer to battle alongside their friends and defend their race It was when Mikel s reign of terror had been brought to an end however that their true battle began Xilonen was a man on the edge of desperation Throughout his tortured life he d dreamt about finding and pleasing his mate But when the time finally came and he met the two men destined to be his for all eternity his dreams were brought to a shattering halt Forced to betray his Gods his kind and his mates Xilonen went on the run But soon he found that he alone could not protect his brother Shayne from the cunning plans of their mother the Goddess of Night He needed strength guidance and courage He needed Malen and Turek Now they must find it within themselves to move past the pain of betrayal and lies to the love and faith that could bind their hearts But will they find it in time to stop Night from stripping Shayne of what she had so heartlessly taken from Xilonen his innocence Reader Advisory This story is best read in sequence as part of a series but can be a standalone and contains scenes of light bondage and BDSM and has one scene of dubious consent **The God Keeper** James Christopher, 2021-03-28 In 15th Century Spain the Fallen Angel Leviathan a Demon Prince of Hell trades the gravest secret of Creation to save himself from the world s greatest exorcist Father Salvatore Blackwell de Seville the Inquisitor The demon tells the priest how a mortal can kill the devil Blackwell will risk anything to destroy Lucifer the enemy of God and Creation He will pursue the power he needs using the darkest sorcery even if it means the end of everything In 21st Century America Mark Maccarello a child born after his mother s death is chosen to defend Creation The gods of the Old World unite with the greatest magicians and sorcerers in history to train him in the ancient magicks denied humanity since the moment of The Decree Thou shalt have no other gods before me But in a mystical land outside of time and space it is Anubis the Egyptian god of death who realizes where Mark s true power lies His birthright is Necromancy To defeat the Inquisitor he must tap
