Walks In Shadow:

A Walk In The Shadows Mike Ricksecker, 2020-01-21 Shadow people are some of the most mysterious entities in the known universe and Mike Ricksecker has experienced many starting with a tall dark humanoid figure that appeared in his room as a child While examining who or what these dark beings may actually be and sharing the ominous experiences of several others Ricksecker recounts his interactions with shadows which also include a black mass that formed in a bedroom where a girl had seen an entity with red eyes a crawler that crept its way around an abandoned desecrated church and many more *A Walk In The Shadows* addresses these tantalizing questions What are the different types of shadow people and their characteristics What s the relationship between shadow people and sleep paralysis Are shadow entities interdimensional beings or perhaps players in a simulated universe Are shadow people evil or have they been miscast as the darkest of the dark in the supernatural realm Are some shadow people actually extraterrestrials What does a renowned demonologist with nearly 50 years of experience have to say about shadow entities *A Walk In The Shadows* explores the secrets of the dark while unveiling an enigmatic world feared by many and misunderstood by most **Shadows Walking** M.L.
