Speaking Effectively:

Speaking Effectively John A. Kline, 2005-02 Dr Kline's book *Speaking Effectively* is an essential resource for anyone faced with any kind of speaking situation. It contains hints, anecdotal examples, and the accumulated wisdom of decades of speaking experience. John is highly regarded in government, religious, and corporate circles and widely in demand because he is a great speaker and because he can help anyone communicate more effectively. He brings that expertise forward in a way that both teaches and entertains. First published in 1989 and currently in its fourth printing, *Speaking Effectively* teaches speakers throughout the Air Force and in other federal agencies the art of captivating an audience. From preparation of your talk through delivery, this straightforward book takes you step by step through the stages of effectively developing and presenting briefings, lectures, and speeches. This book includes such essential principles of effective delivery as speaking clearly at the right pace for your audience and subject and loud enough for all to hear but not too loud. Yet it also covers less obvious but equally essential principles such as a speaker's nonverbal signals which can make or break a presentation. I strongly recommend Dr Kline's book whether you are a novice or an experienced speaker. It will help the novice begin developing time-proven speaking techniques and it will help more experienced speakers continue perfecting the skills needed to grab and hold an audience. Jay W. Kelley, Lieutenant General USAF, Commander Air University. [Speaking Effectively](#) Air University Press, John A. Kline, 2019-07-09 Dr Kline presents techniques on how to speak successfully. He provides examples and pointers for both the novice and the skilled speaker. Dr Kline's book *Speaking Effectively* is an essential resource for anyone faced with any kind of speaking situation. It contains hints, anecdotal examples, and the accumulated wisdom of decades of speaking experience. John is highly regarded in government, religious, and corporate circles and widely in demand because he is a great speaker and because he can help anyone communicate more effectively.
