Robert Young

Speaking In Parables:

Speaking Parables David Buttrick, 2000-01-01 David Buttrick provides an introduction to the parables with a discussion of particular homiletical issues preachers face in interpreting parables *Speaking Parables* includes commentary on thirty three different parables with suggestions for preaching each one

Speaking in Parables Sallie McFague, 1975 This book is not only absorbingly readable but important For its themes engage effectively with main dilemmas not only of formal theology but of current piety and witness Amos N Wilder *Andover Newton Quarterly* This book is immensely valuable for its persuasive illustrations of the parabolic and metaphoric imagination McFague attends both to the interpretive and the evaluative levels of hermeneutics Her readings of specific parables poems stories and autobiographies are insightful and relevant to her thesis that what religious language says is conceptually imperceptible and inexpressible Mary Gerhart *Journal of the American Academy of Religion* It is at the very least a fine guide to one important direction that theological hermeneutics might take and more than that it testifies confidently to the presence of still unplumbed resources of the biblical word and its secular counterpart that are there for the imagination's appropriation Robert Detweiler *Religious Studies Review* Everyone interested in theology will be stimulated by Sallie McFague's mediating theological position and the form of thinking and discourse she espouses Those interested in the intercourse between theology and literature will be stimulated by the way she links the two and the perceptive way she handles her literary examples Biblical scholars will undoubtedly note her primacy of the parables as the central corpus of the biblical records Preachers of the church will be strengthened by the concern McFague has for the Christian community and the importance of the word through the words of the preachers With this variety of concerns *Speaking in Parables* will have a deservedly wide reading and perhaps even more important wide discussion Ronald E Sleeth *Perkins School of Theology Journal*

The Power of Parable John Dominic Crossan, 2012-03-06 In 1969 I was teaching at two seminaries in the Chicago area One of my courses was on the parables by Jesus and the other was on the resurrection stories about Jesus I had observed that the parabolic stories by Jesus seemed remarkably similar to the resurrection stories about Jesus Were the latter intended as parables just as much as the former Had we been reading parable presuming history and misunderstanding both from *The Power of Parable* So begins the quest of renowned Jesus scholar John Dominic Crossan as he unlocks the true meanings and purposes of parable in the Bible so that modern Christians can respond genuinely to Jesus's call to fully participate in the kingdom of God In *The Power of Parable* Crossan examines Jesus's parables and identifies what he calls the challenge parable as Jesus's chosen teaching tool for gently urging his followers to probe question and debate the ideological absolutes of religious faith and the presuppositions of social political and economic traditions Moving from

parables by Jesus to parables about Jesus Crossan then presents the four gospels as megaparables By revealing how the gospels are not reflections of the actual biography of Jesus but rather misinterpretations by the gospel writers themselves Crossan reaffirms the power of parables to challenge and enable us to co create with God a world of justice love and peace

Speaking In Parables Introduction

In today's digital age, the availability of Speaking In Parables books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Speaking In Parables books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Speaking In Parables books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Speaking In Parables versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Speaking In Parables books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Speaking In Parables books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Speaking In Parables books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Speaking In Parables books and manuals for download have transformed the way we access information. They provide a cost-effective and

convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Speaking In Parables books and manuals for download and embark on your journey of knowledge?
