

A person is holding a small, square chalkboard with a light-colored wooden frame. The chalkboard is held in front of a wooden desk. On the desk, to the right of the chalkboard, is a stack of several books with white pages and red and blue covers. In the foreground, a dark wooden gavel is partially visible. The background shows a wooden shelf with some books. The person holding the chalkboard is wearing a dark blue long-sleeved shirt.

Special Education Law Nikki L. Murdick, Gerard Fowler, 2013-05-09 This title is only available as a loose leaf version with Pearson eText Special Education Law 3 e captures the evolving nature of special education legislation from historic bases for special education services to the first passage of IDEA to the Improvement Act of 2004 Using carefully selected cases it illustrates the background for each enacted law and offers case briefs with questions to prompt discussion An in depth look at six legislative principles untangles complex issues of free appropriate public education nondiscriminatory evaluation program development least restrictive environment procedural due process and parental participation Fully revised this edition includes information on Rosa s Law the latest CEC ethics standards sections on RtI and EIS and a new chapter on future issues in special education

Individuals with Disabilities Education Act Ted Gordon, 2013-08-19 Special education teachers and parents of children with special education needs are often unaware of the statutory rights under the Individual with Disabilities Education Act IDEA and how to enforce them On the flip side they sometimes do not realize how broad the law is or how and what they must do to meet the laws requirements The author starts with the premise that one of the hardest aspects of studying this law is find a friendly easy way into the statutes Further heavily digested court cases offer examples of what can go wrong if the proper procedures are not followed For example the first case present in the book is one where the parents forced the school district to pay for their child to attend a fancy private school as well as pay for meals and transportation to that school Another case in this book discusses what happens when a parent refuses to agree to the recommended IEP placement Then the next book chapter discusses when there is a change in circumstances that requires an IEP The final court case reviews a situation when the child sought to qualify under IDEA even though the school did not diagnose a disability It also briefly covers section 504 situations and how they tie into IDEA Special education teachers need to know the law to protect themselves as well as meet their legal requirements conversely parents need to understand the law to know how broad and all encompassing the rights are for

children meeting the requirements but not getting all the attention they need Special Education Law Peter S. Latham, Patricia H. Latham, Myrna Mandlawitz, 2008 Clear well organized presentation of IDEA and other pertinent federal laws together with well organized discussion of relevant cases help educators understand and apply their knowledge in concrete situations The emphasis of this practical book is on increasing understanding at a conceptual level rather than rote memorization of detailed provisions of the IDEA and other laws By understanding the law educators will be better equipped to work with future amendments of IDEA and with new laws that may be enacted by Congress They will also have an increased ability to apply statutory provisions to specific situations Part I Constitutional Framework provides important background in understanding the authority that Congress has to enact laws that impact on education in the United States and the authority that the courts have to interpret laws Includes discussion of the judicial system the key provisions of the United States Constitution due process equal protection the statutes of certain regulations and a brief overview and comparison of the Individuals with Disabilities Education Act IDEA the Rehabilitation Act RA and the Americans with Disabilities Act ADA Part II IDEA covers background basic language and coverage duty to evaluate FAPE IEP placement related services inclusions least restrictive environment private school discipline mediation due process and court proceedings Sample forms are included to supplement discussion with concrete examples to aid understanding Part III RA and ADA covers RA ADA basics such as who is an individual with a disability what entities are covered enforcement provisions and application to schools universities and employers Part IV Other Legal Issues covers No Child Left Behind FERPA tort liability and high stakes testing issues At the end of each part there is a very basic question and answer section to assist the student in focusing on major points in each part *Special Education Law* Thomas F. Guernsey, Kathe Klare, 2001 This book takes the education professional lawyer or parent through the process of providing special education services to children Should differences arise between the child s parents and a public agency the book details the methods for resolving that disagreement One of the difficulties in dealing with special education law is the interplay of several federal statutes in addition to IDEA Individuals with Disabilities Education Act Further there are often statutes and regulations affecting general education which also affect special education In particular the Education Department General Administrative Regulations EDGAR and the Family Educational Rights and Privacy Act FERPA or the Buckley Amendments play a significant role This book discusses each of these important statutes affecting the education of children with disabilities The book begins with a general overview of IDEA and its interrelationship with 504 and 1983 EDGAR and FERPA Although the primary focus in succeeding chapters is on IDEA full attention is also given to the impact of 504 and other federal statutes The book provides a solid foundation in special education law and is highly recommended for school administrators and for attorneys specializing in school law **Legal Aspects of Special Education** Kurt Hulett, 2009 For every course in Special Education Law and Education Law or as a perfect supplement to any Educational Administration course **Legal Aspects of Special**

Education was written by a practitioner to help teachers administrators and advocates understand special education law in everyday language without excessive legalese or extraneous case law Different in many ways from other special education law texts on the market all of the elements of this text are intended to help its students obtain the most critical information about special education law and how it is applied in the real world Some unique features include a fascinating opening interview and then epilogue with Joe Ballard a pioneer of the IDEA movement a discussion of Response to Intervention RTI and the implication of IDEA 2004 for school districts and a discussion of the history of special education and its link to the Civil Rights Movement Additionally the book provides case studies and application questions critical thinking questions the most current information on the laws including No Child Left Behind and the Individuals with Disabilities Education Act of 2004 and a discussion of major trends changing the laws including that of autism

Special Education Law Case Studies David F. Bateman, Jenifer Cline, 2019-01-12 Tremendous changes have occurred over the past decade in the

provision of services to students with disabilities Federal mandates continue to define requirements for a free appropriate public education FAPE in the least restrictive environment Additionally there has been an increase in the number of lawsuits filed against school districts regarding the provision of educational services for students with disabilities Case studies are a helpful way to understand these difficult issues The case studies presented here are actual students eligible for special education and related services The case studies are represented not to tell districts and parents that this is the only way questions about special education law can be answered but to provide likely answers along with commentary for analysis The cases were developed to help new and experienced special education leaders and supervisors survive the pressures of working with students with disabilities while working to provide appropriate services and prevent litigation Students with Disabilities and Special Education Law Oakstone Legal & Business Publishing,2002
