

Special Educational Needs And Disability Reforms

What do the reforms mean?

The SEND reforms will mean you will be more involved in the decisions that affect you and your child. No-one should lose the support or services they need as a result of the changes.

Will the assessments be quicker?

The Education, Health and Care (EHC) plan must be finalised within 20 weeks of the request for an assessment, compared to 26 weeks for statements. Your school and council must work with you as a full partner through the process.

Who will be given an EHC plan?

The law about who is eligible has not changed. If your child is currently on a statement and still requires one, then they will be given an EHC plan.

What happens to my child's statement?

All existing statements will continue to have legal force beyond September 2014 until they are transferred over to a new EHC plan.

How will progress be reviewed?

The legal duties on schools remain the same - they are still required to keep and share records of a child or young person's progress, the support they have and the impact it has had on the individual.

"Tip Tip" Have you tried one page profiles? They are very popular with parents, so check with your school to see if they can share any templates with you, or try the link <http://hdh.ly/2e6wF>

Will there be a better choice of schools?

The new system improves the range of school choices for those on EHC plans, including independent schools and independent specialist providers for which parents and children can express a preference. Councils have a duty to provide the support needed for any young person with SEND.

Will Special Educational Needs Coordinators (SENCOs) be able to offer adequate support for my child's needs?

Each SENCO is specially qualified to support other teachers to develop their expertise and ensure individual pupils' needs are addressed. The SEND Code of Practice is clear that every teacher is a teacher of children with special educational needs.

What happens if you go to college?

You can take your EHC plan with you. No-one should lose out just because they are moving from school to college.

Will I still have Higher Education support?

Students will continue to have a comprehensive assessment of what support they need. The EHC plan can be used to determine what those needs are.

Will Independent Supporters be available from September?

Independent Supporters will be people from the local area, ready and trained to help families through the changes to the system from September 2014. Councils are responsible for making sure information, advice and support is available in their area, not just about special educational needs, but also about disabilities, health and social care.

How can I get a personal budget?

You have the right to request a personal budget from your council when you have been assessed as needing an EHC plan or doing a review of an existing plan. Independent Supporters can help you with this process.

"Tip Tip" Information on how to request a personal budget and what it can do for you will be set out in your council's local offer.
